

*MERRY AND BLESSED
CHRISTMAS IN THE MOST HOLY
DIVINE WILL
CHRIST IS BORN!*

FROM THE BOOK OF HEAVEN

V25 - December 25, 1928 - I was thinking about the Birth of Baby Jesus, and I prayed Him to come to be Born in my poor soul. And in order to sing His praises and form a cortege for Him in the act of His Birth, I fused myself in the Holy Divine Volition,

and flowing in all Created things, I wanted to animate the heavens, the sun, the stars, the sea, the earth and everything with my "I love You."

I wanted to place all Created things as though in waiting, in the act of Jesus' Birth, so that all would say to Him, "I love You," and "We want the Kingdom of Your Will upon earth."

Now, while I was doing this, it seemed to me that all Created things would come to attention in the act of Jesus' Birth, and as the dear Baby came out of the womb of His Celestial Mama, the heavens, the sun, and even the tiny little bird, as though all in chorus, were saying, "I love You," and "We want the Kingdom of Your Will upon earth."

My "I love You" in the Divine Will flowed within all things in which the Divine Will had Its life, and therefore all sang praises to the Birth of their Creator; and I saw the newBorn Baby who, flinging Himself into my arms, all shivering, told me: "What a beautiful feast has the little daughter of My Will prepared for Me; how beautiful is the chorus of all Created things saying to Me, 'I love You,' and wanting My Will to Reign. One who lives in It can give Me anything, and can use all stratagems in order to render Me happy and make Me smile, even in the midst of tears. Therefore, I was waiting for you, to have a surprise of love of yours by virtue of My Divine Volition.

"In fact, you must know that My Life on earth was nothing but suffering, operating and preparing everything that was to serve the Kingdom of My Divine Will, that must be Kingdom of happiness and of Possession; therefore, it is then that My works will have their full fruits and will change for Me and for creatures into sweetnesses, into joys and into Possession."

Now, while He was saying this, He disappeared from me; but after a little while He came back, inside a little cradle of gold, clothed with a tiny little Garment of Light.

And He added: "My daughter, today is My Birthday, and I have come to render you happy with My presence. It would be too hard for Me, on this day, not to render one who lives in My Divine Will happy, not to give you My first kiss and tell you, 'I love you' as a requital of yours, and, clasping you tightly to My little Heart, make you feel My heartbeats that unleash fire, and would want to burn everything that does not belong to My Will, while your heartbeat, echoing within Mine, repeats for Me your pleasant refrain: 'May Your Will Reign on earth as It does in Heaven.' Repeat it always, if you want to render Me happy and calm My baby crying. Look—your love has prepared for Me the Gold Cradle, and the acts in

My Divine Will have prepared for Me the little Garment of Light. Aren't you happy?"

V27 – December 16, 1929 - *I was continuing my round in the Divine Fiat, to Unite myself to all the Acts done by It for love of us all, Its creatures. But as I arrived at the point in which my lovable Jesus Descended into the lowliness of the human acts, such as Suckling the milk from His Mama, taking food, drinking water, and lowering Himself even to work, I felt amazed in seeing that Jesus, by His nature, had need of nothing, because, Possessing within Himself the strength creative of all goods, He could do without making use of the very things Created by Him.*

But while I was thinking of this, my sweet Jesus, making Himself seen and heard in my interior, told me: "My daughter, you are right that I had need of nothing, but My Love, having Descended from the height of the Heavens to the lowliness of the earth, could not remain quiet nor still—I felt the irresistible need to let My Love out, and to love in those very acts that the creature did by Necessity; while I did them to let My Love run toward her, and so be able to say to her: 'See how much I have loved you; I wanted to Descend into your littlest acts, in your necessities, in your work—in everything, to tell you that I love you, give you My Love and receive your Love.'

"But do you want to know the Primary Reason for which I lowered Myself so much in doing so many lowly and human acts? Necessity did not exist in Me, but I did it in order to fulfill, in each act, the Divine Will. All things would present themselves before Me for what they were in themselves—where they had come from, sealed by the Divine Fiat, and I would take them because it was wanted by It. It can be said that there was a contest between My Divine Will that, by nature, as Word of the Celestial Father, I Possessed within Me, and My same Divine Will spread in the whole Creation. So, in all things, I knew and saw nothing but My Divine Will; It was My food, My water, My work—everything would disappear from Me, and it was always My Divine Will that I would deal with.

"And while My Divine Will would make Me Descend into the human acts of creatures, I would call all the human acts of each one of them, that they might receive the great gift of having My Divine Volition Descend as Prime Act and as life of their acts. Oh! if creatures looked at Created things for what they are in themselves—their origin, Who it is that Nourishes them and Preserves them, and Who the bearer is of so many things that serve the human life—oh! how they would love My Divine Will and would take the substance of Created things. But they look

at the exteriority of things, and therefore they attach their hearts to them, and feed themselves from the cortex of them, losing the substance present inside Created things, that came out of Us so as to let creatures perform many acts of Our Divine Will.

V27 - 12.29.29 - *“...my celestial and charming little Baby, calling me close to Himself in the arms of His Mama, told me: “My daughter of the Divine Volition, come to listen to My lessons. In Descending from Heaven to earth to form the Redemption, I was to form the new Eden, I was to restore the first act, and the beginning of the creation of man, in My Humanity. So, Bethlehem was the first Eden. I felt within My little Humanity all the strength of Our Creative Power, the ardor of Our Love with which man was Created; I felt the fibers of his innocence, of his sanctity, of his dominion with which he was invested. I felt within Me that happy man—oh! how I loved him; and since he had lost his place of honor, I took back his place, because it was befitting for Me to first place in Me the order of how man was Created, and then Descend into his misfortune in order to lift him up again and place him in safety.*

“Therefore, in Me there were two continuous acts, fused in one—the happy Eden with which I was to place in force all the beauty, the sanctity, the sublimity of the creation of man; he was innocent and holy, and I, surpassing him, was not only innocent and holy, but was the Eternal Word; and having within Me all possible and imaginable power, and an immutable Will, I was to completely reorder the beginning of the creation of man, and lift the fallen man up again. Otherwise, I would not act as God, nor would I love him as Our work, come out and Created in an ardor of Our Love.

“Our Love would feel stopped and as though impotent—that cannot be—had I not completely mended the lot of fallen man, and the destiny of the way he was Created. It would have been a slash to Our Creation, and it would have accused Us of weakness, had We not restored man completely. Therefore, Bethlehem was My first Eden, in which I did and embraced all the acts that innocent Adam did, and those that he would have done had he not fallen. Our Divinity expected with justice My requital in his place; and as I kept redoing what innocent Adam would have done, so I lowered Myself and stretched out My hand to lift him up again from his fallen state.

V35 – 12.25.37 - *“My blessed daughter, in My descent upon earth the Wonders—the ardor of Our Love—were so Great and so many that neither Angels nor creatures can understand all that Our Divinity Operated in the Mystery of My Incarnation. You must know that Our Supreme Being Possesses Its Incessant Motion by nature. If this Motion could cease, even for an instant—which cannot be—all things would remain paralyzed and with no life, because all things—the life, the preservation and all that exists in Heaven and on earth—everything—depends on that Motion. Therefore, in Descending from Heaven to earth, I, Word and Son of the Father, departed from Our Primary Motion; I mean—remaining, I left. The Father and the Holy Spirit Descended with Me—They were concurrent (neither did I do any Act if not together with Them), and they still remained on the Throne—Full of Majesty, in the Celestial Regions.*

“So, as I left, My Immensity, My Love and My Power Descended together with Me; and My Love—which is incredible and is not satisfied if It doesn’t form, from My Life, a Life for each existing creature—not only did this, but It formed My Life everywhere and in every place—multiplying It. Keeping My Immensity in Its Power, My Love filled It with many of My Lives, so that everyone could have a Life of Mine for himself, and the Divinity could have the Glory and the Honor of a Divine Life for as many things and creatures as We delivered to daylight. Ah! Our Love repaid Us for the Work of Creation. And by forming many of Our Lives, It not only repaid Us, but It gave Us even more than We had done. Our Divinity remained Enraptured, and felt a sweet Enchantment in seeing the devices and stratagems of Our Love—in seeing so many of Our Lives being spread out, since Our Love used Our own Immensity as the circle in which to place them. Therefore, while My Life was the center, My Immensity and Power were the circumference in which these Innumerable Lives were being deposited. These Lives could find everything and everyone, and offered Themselves to Love Us and to be Loved.”

“...Then, I continued to think about the little NewBorn Jesus—and O, how it broke my heart seeing Him crying, sobbing, wailing and shivering with cold! I wanted to place one ‘I love you’ of mine for each Pain and each tear of the Divine Little One, to warm him and to calm His crying.

And Jesus added: “My daughter, I can feel one who Lives in My Will in My tears and in My wailing. I feel her flowing in My crying sobs and in the shivering of My tiny limbs. By virtue of My Will that she Possesses, she turns the tears into smiles, and the sobs into Heavenly Joys. With her love dirges, she warms Me and changes the Pains into kisses and hugs. Even more, know that one who Lives in My

Will receives continuous grafts of all that My Humanity does. If I think, I graft her thoughts; if I speak and pray, I graft her word; if I work, I graft her hands—there is nothing of what I do that does not form a graft for the creature, to make of her the repetition of My Life; even more so, since My Divine Will is in her, and I can find My Power, My Sanctity and My very Life, to do whatever I want with her.

“How many Prodigies can I not do, when I find My Will in the creature? I came on earth to cover everything with My Love, to drown the very evils, and to burn everything with My Love. By Justice, I wanted to repay My Father, because it was right for Him to be Restored in His Honor, in the Glory, in the Love and in the gratitude that everyone owed Him—so, My Love couldn’t find Peace. It fills the gaps of His Glory and of His Honor; to the extent that, through Love, It repaid the Divinity Who had Created a Heaven, a sun, a wind, a sea, a flowery earth, and all the rest, while man had uttered not even one ‘Thank you,’ for the so many Goods he had received. He had been the true thief—the ungrateful—the usurper of Our Goods. My Love ran and ran in order to fill the abysses of distance between the Creator and the creature. It paid My Celestial Father through Love, and through Love It bought back the human generations, to give back to them the Life of My Divine Will, having already formed many Lives from It, as their ransom. And when My Love pays, the Value is such that It can afford to pay for everyone, and to buy back whatever It wants. Therefore, you have already been purchased by My Love; so, let Me enjoy you, and Possess you.”
