

# *Seeing with Clarity What it Means to Live in the Divine Will or the Human Will*

*Wisdom 17:19 - For the whole world was enlightened with a clear light, and none were hindered in their labours.*

## *FROM THE BOOK OF HEAVEN*

*V30 – November 29, 1931 - "O! if creatures comprehended with clarity what it means to do their will, they would die of pain in comprehending the great evil into which they hurl themselves, and the great Good that they lose by not doing Our Divine Will. Be attentive, My daughter, if you do not want to lose the eyes of the soul—that are My Will. Once these are lost, you yourself will not comprehend your highest misfortune, just as many other creatures do not comprehend it, who gamble away the Divine Will to do their own—but to do what? To render themselves unhappy."*

*V30 – December 6, 1931 - “Beloved daughter of My Will, to Live in It means to recognize Its Paternity; and as she feels herself a daughter, she wants to be close, clasped, on the knees of her Father, and Live in His House—and by Right, because she recognizes herself as a Birth from He who, with so much Love, Generated her and delivered her to the Light; and she looks at all other things as extraneous, and without the sweet Bond, either of Paternity or of relationship. So, she sees with clarity that, by going out of the House of her Father, she would be a lost daughter, who would have not even a nest in which to form her abode.*

*V30 – May 8, 1932 - “My daughter, only then does one feel the True Life in herself, when she enters into My Divine Will, because in It the creature sees with clarity her nothingness, and how this nothing feels the need of the All, that is, of He who drew her from nothing in order to Live. And as she recognizes herself, the All fills her with Itself. This nothing feels the True Life, she finds the immediate contact of Sanctity, of Goodness, Power, Love and Divine Wisdom; she recognizes in herself the Power of the Creative Work, Its Palpitating Life, and the extreme need for this Divine Life, otherwise, she feels as if there were no Life in her. It is only My Will that makes her true nothingness recognized by the creature. And It continuously Breathes over this nothing so as to maintain the Divine Life always inflamed in her, in order to make her grow as a Work Worthy of Our Creative Hands. On the other hand, without Our Will, the creature feels as if she were something, and the All remains outside of the nothing.”*
