From the Book of Heaven

V2 - October 25, 1899 - "I act just like a pitying doctor, who has the extreme remedies for his children, and these children are full of wounds. What does this father and doctor do, who loves his children more than his very life? Will he let

these wounds become gangrenous? Will he let them die for fear that by applying fire and knife they may suffer? No – never! Even though he will feel as if those instruments were applied to himself, in spite of this, he grabs the knife, he rips and cuts the flesh, and he applies to it the poison, the fire, to prevent corruption from advancing further. Even though many times it happens that in these operations the poor children die, this was not the will of the father doctor – his will was to see them healed. So I AM. I wound in order to heal them, I destroy them in order to resurrect them. If many perish, this is not My Will, it is only the effect of their wickedness and obstinate will - it is the effect of this poisonous echo which they want to keep sending Me to the point of seeing themselves destroyed."
