

Divine Will is Balance and Order

May 25

Job 31:6

Let him weigh me in a just balance, and let God know my simplicity.

From the Book of Heaven

V14 - August 6, 1922 - I felt all immersed in the Holy Will of God, and my sweet Jesus, on coming, told me: "My daughter, all things have equal weight for Me – the weight of Heaven is equal for Me to that of the earth. My Divine Will contains perfect Balance. Balance brings order, regime, utility, harmony. All things harmonize together as if they were one single thing. Order brings equality; equality brings likeness. This is why there is so much harmony, order and likeness in the Three Divine Persons. All created things are in perfect harmony - one is the support, the strength and the life of the other. If just one created thing disharmonized, all the others would roll about and end up in ruin.

Only man moved away from Us, from the Balance of Our Will. Oh, how man rolled about, and from the highest place he fell into the deepest abyss! And in spite of My Redemption, not all of the human family has returned to its original state. This means that the gravest thing is to withdraw from the Balance of Our Will; it means hurling oneself into chaos, into disorder, into the abyss of all evils.

Now, My daughter, this is why I have called you in a special way into this Balance of My Divine Will - so that, as you Live in It, you may come to Balance all the work of deranged humanity. By Living in My Will, you will Balance yourself, you will be in order and in perfect harmony with Us and with all things created by Us. So, since you harmonize everything, We will feel you flowing in the Sphere of Our Will, giving Us the order and the harmony of all the intelligences, words, works and steps of all. We will constitute your acts in Our Will as the rulers of all the others, and We will be repaid of the chaos of unfortunate humanity. Each act of yours will be the seal of the order which We will receive in the name of all the others. You have much to do in Our Will; you will be like a Queen, and will bring Us all conquests and all harmonies. Our Will shall provide you with all that is necessary so that you may make up for all, and fill the void of Balance of the human will, which received so much harm in withdrawing from the Balance of Our Will."

V24 - June 20, 1928 - *"My daughter, what is done in My Divine Will encloses an incalculable value. It is as if the soul had two scale pans in her hands, placing in each pan an object of equal weight and of equal value. One is the weight of these objects, one the value, one the price that she can collect.*

"Now, in one pan God places His Will; in the other the soul places what she does in It. As the two pans rise, they remain perfectly Balanced, and they both elevate to the same level, because, since the Will of God and that of the soul are one, wherever It operates, whether in God or in the creature, one is the value. My Will alone elevates the soul to the Likeness of her Creator; what is done in It places her in the order of the Divine works."
