

# *Rainbow of Divine Colors in the Soul Who Lives in the Divine Will*

*June 17*

## ***PART THREE LIFE IN CHRIST***

**1691** *“Christian, recognize your dignity and, now that you share in God’s own nature, do not return to your former base condition by sinning. Remember who is your head and of whose body you are a member. Never forget that you have been rescued from the power of darkness and brought into the Light of the Kingdom of God.”<sup>1</sup>*

### ***Ezechiel (Ezeckiel) 1:28***

*As the appearance of the rainbow when it is in a cloud on a rainy day: this was the appearance of the brightness round about.*

### ***Apocalypse (Revelation) 1:3***

*And he that sat, was to the sight like the jasper and the sardine stone; and there was a rainbow round about the throne, in sight like unto an emerald.*

### ***Apocalypse (Revelation) 10:1***

*And I saw another mighty angel come down from heaven, clothed with a cloud, and a rainbow was on his head, and his face was as the sun, and his feet as pillars of fire.*

## ***From the Book of Heaven***

**V30 – Dec. 6, 1931** - *“You Must Know that Our Will is all Eyes over the happy creature who wants to Live of It; and as she does her acts, It gives her Its Bath of Divine Light...*

*...“The light can be called the soul of created things—symbol of Our Uncreated Light of Our Divine Fiat that animates everything. So, with this Bath of Divine Light, as she is about to do her acts in It, the soul feels herself being sweetened, balmed, fortified, purified and invested by the Beautiful Rainbow of the Divine Colors, that render the soul so graceful, striking and beautiful, that God Himself feels Enraptured by a Beauty so rare. This Bath of Light is like the preparation to be able to cross the thresholds and tear the Veil that hides Our Divine Being to the human creatures. More so, since it is Our Interest that one who Lives in Our Will be like Us and do not a thing that would be unworthy of Our Majesty Trice Holy. Therefore, think that it is a Bath of Light that My Will gives you every time you dispose yourself to do your acts in Its Interminable Light, so that you may be attentive to receive it.”*

**V30 – Jan. 3, 1932** - *“O! how beautiful it is to see the creature animated by the Rainbow of Our Divine Colors—it is one of the most Beautiful Scenes that she presents to Us and makes Us enjoy. We look at her and We see that those are nothing other than the Reflection of Our Thoughts, of Our Actions, and so forth, that has formed that variety of Our Divine Colors; and Our Will makes display of Light in the acts of the creature who, with her sweet enchantment, enraptures Us and makes Us the Spectators of Our Acts; and—O! how We await with all Love the repetition of these Scenes so Beautiful and Delightful.”*
