V17 - May 1, 1925

The mission of living in the Divine Will: the mission of Our Lord Jesus Christ, the mission of Mary Most Holy, and the mission of Luisa.

I was thinking about the many things that my beloved Jesus told me on His Most Holy Will, and some doubts came back to me – that, who knows, it might really not be necessary to say everything, or, that some things were not necessary. But Jesus, wanting to lovingly resolve my doubts and make me know the mission He entrusts to the one who is to make His Divine Will known – having chosen for

this the misery that I am, to my great stupefaction and confusion – continuing His holy instructions on this matter, told me: "My daughter, every mission is to be connected to the office of executing it, and therefore it must be carried out omitting nothing of that which belongs to it. In fact, every mission which is destined for the good of others, has its own particular gifts, graces, riches and qualities, which are useful for its execution.

My Humanity received from My Divinity the mission of the salvation of souls and the office of Redeemer – that is, to redeem them from the slavery of sin and from eternal death. In order to carry out this office, I was given their souls, their pains, their satisfactions. Therefore, I enclosed within Myself everything from everyone; and if My Humanity had neglected to enclose in Itself just one soul, one satisfaction, the office of Redeemer would not have been complete - I would not have enclosed in Myself all the graces, the goods and the light which it was necessary to give to each soul. And even though not all of the souls are saved, this says nothing. On My part, I had to enclose the goods of all, so that I might have necessary and superabundant graces for all, in order to be able to save all. This was convenient to Me for the decorum and the just honor of My office as Redeemer.

Look at the sun above your horizon: it contains so much light as to be able to give light to all; and even though not all might want to enjoy its light, by its unique office as sun, it possesses even the light that creatures might refuse. This was convenient to the Sun, because it was created by God as the unique sphere which was to warm and embrace the earth with its light. Each created being has its own office to carry out, and that office is unique - linked to that being, to that creature. In order to execute it well, it is necessary that the one who is to carry out the office entrusted to her, contain so much of that good – good which she must give to others according to the mission for which she was created - that as much of it as she gives, it is never exhausted, not even by one atom.

This was even more convenient to Me, Who was to be the new Sun of the souls, and Who was to give light to all and embrace all with My light, to bring them all to the Supreme Majesty, offering to this Divine Majesty an act from Myself which would contain all acts, and to make the superabundant light of My Divinity descend upon all in order to rescue them.

In addition to Me, there is My Celestial Mama, who received the unique mission as the Mother of a God Son, and the office of Co-Redemptrix of mankind. For her mission of Divine Maternity, She was enriched with so much grace, that all other creatures combined, both celestial and terrestrial, would never be able to equal Her. But this was not enough to draw the Word into her maternal womb; it was necessary that the Mother put in action all this abyss of graces and gifts, by embracing all creatures, loving them, repairing and adoring the Supreme Majesty for all; in such a way as to accomplish Herself, all that the human generations owed to God. Therefore, in her virginal Heart She had an inexhaustible vein for God and for all creatures. When the Divinity found in this Virgin compensation for the love of all, It felt enraptured, and formed in Her Its Conception – that is, the Incarnation of the Word. And as She conceived Me, She took on the office of Co- Redemptrix, and shared and embraced together with Me, all the pains, the substitutions, the reparations, the maternal love, for all. In the Heart of My Mother there was a fiber of maternal love for each creature. This is why, in truth and with justice, when I was on the Cross, I declared Her Mother of all. She ran together with Me in the love, in the sufferings - in everything; She never left Me alone. If the Eternal One had not placed so much grace in Her as to be able to receive, alone, the love of all - He would never have moved from Heaven to come down upon earth and redeem mankind. Here is the necessity, the convenience - that She had to embrace and surpass everything, as befitting the mission of the Mother of the Word.

When an office is unique, as a consequence, nothing must escape the one who has it as mission. He must have everything under his eyes, so as to be able to offer

the good he possesses; he must be like a true sun that can give light to all. So were I, and My Celestial Mama.

Now, your mission of making known the Eternal Will is braided with mine and with that of My dear Mother. And since it has to serve for the good of all, it was necessary to centralize the Eternal Sun of My Will into one creature; so that, as a unique mission, this Sun might let its rays blaze from her, and all might take the good of Its Light. This implies that, for the decorum and honor of My Will, I had to pour into you, as bearers and preparations, such graces, light, love and knowledge of It, as to befit the residence of the Sun of My Will. Even more, you must know that, just as My Humanity, in Its office of Redeemer, conceived all souls, the same was to happen in you, in your mission and office to make My Will known and reign: as you continue to do your acts in My Will for all, all creatures remain conceived in your will; and as you keep repeating your acts in Mine, you form many sips of Life of Divine Will, in order to be able to nourish all the creatures which are as though conceived in yours, by virtue of My Will. Do you not feel how, in My Will, you embrace all, from the first to the last creature which is to exist upon earth; and for all, you would want to satisfy, love, please this Supreme Will, binding It to all, removing all obstacles that prevent Its dominion in the creatures - making It known to all; and even with sufferings, you expose yourself to satisfy for all, this Supreme Will, which so much loves to be known and to reign in the midst of creatures?

To you, Firstborn Daughter of My Divine Will, it is given to make known the qualities, the value, the good It contains, and Its eternal sorrow of living unknown - hidden, in the midst of the human generations; even more, despised and offended by the evil ones, and placed by the good ones at the level of the other virtues, as if

It were a little light which is lit by men - as virtues are in comparison with My Will - and not the Eternal Sun that My Will is.

The mission of My Will is the greatest that can exist: there is no good which does not descend from It; there is no glory which does not come from It. Everything is centered in It: Our interior Works and those which We have delivered; the Creation of the angels, of the world, of men; all virtues, all merits, all predestinations, all goods, all the glory of the chosen ones, all the Mysteries of the infinite love, which are still unknown to man; and the past, the present, the future - all in one Act and in act, and in one single point.

Therefore, be attentive, and do not want to waste time with doubts or uncertainties. Everything I told you for this mission was necessary - not for you, but for the honor, the glory, the knowledge and the sanctity of My Will and of Its dominion in the creatures. And since My Will is one, one was to be the creature to whom I had to entrust It, and through whom It would make Its rays blaze, to do good to all."

V17 - May 4, 1925

(Continuation of the previous chapter). The mission of the Divine Will reproduces on earth the image of the Most Holy Trinity.

After writing what is written above, I began to do the adoration to my Crucified Jesus, fusing all of myself in His Most Holy Will; and my beloved Jesus came out from within my interior, and placing His Most Holy Will close to mine, all tenderness, told me: "My daughter, did you write everything on the mission of My Will?"

And I: 'Yes, yes, I wrote everything.'

And He, again: "What if I told you that you did not write everything? Rather, you have left out the most essential thing. So, continue to write, and add: 'The mission of My Will shall conceal the Most Holy Trinity upon earth. Just as in Heaven there are the Father, the Son and the Holy Spirit, inseparable but distinct among themselves, Who form all the beatitude of Heaven, in the same way, on earth there will be three persons who, because of their missions, will be distinct and inseparable among themselves: the Virgin, with Her Maternity which conceals the Paternity of the Celestial Father and encloses His power in order to fulfill Her mission of Mother of the Eternal Word and Co-Redemptrix of mankind; My Humanity, for the mission of Redeemer, which was enclosed in the Divinity of the Word, without ever separating from the Father and from the Holy Spirit, in order

to manifest My celestial wisdom, adding the bond of becoming inseparable from My Mama; and you, for the mission of My Will, as the Holy Spirit will display His Love in you, manifesting to you His secrets, the prodigies of My Will, the goods It contains, in order to make happy those who will give themselves to knowing how much good this Supreme Will contains, to love It and to let It reign in their midst, offering their souls to let It dwell within their hearts, that It may be able to form Its Life in them. And the bond of inseparability will be added, between you, the Mother and the Eternal Word.

These three missions are distinct and inseparable. The first two have prepared the graces, the light, the work, and everything, with unheard-of pains, for the third mission of My Will, in order to be all fused in It without leaving their office, so as to find rest, because My Will alone is celestial rest. These two missions will be repeated, because their exuberance of grace, of light, of knowledge, is so great that all human generations can be filled with them; even more, they will not be able to contain all the good which they contain. These two missions are symbolized by the Sun, since, in creating it, I filled it with so much light and heat, that all human generations can enjoy it in superabundance. Nor did I take into account that, since in the beginning of creation there were only Adam and Eve on earth, I could have placed in the Sun enough light as to be sufficient only for the two of them, making it then grow, in proportion to the growth of the human generations. No, no – I made the Sun full of light, just as it is now, and will be. For the decorum and the honor of Our Power, Wisdom and Love, Our works are always made with the fullness of all the good which they contain; nor are they subject to increase or decrease.

So I did with the Sun: I centralized in it all the light which it was to serve, up to the last man. But how much good does the Sun not do to the earth? What glory does it not give to its Creator, with its mute light? I can say that, for the immense good it does to the earth, with its mute language, the Sun glorifies Me and makes Me known more than all other things together; and this, because it is full in its light, and stable in its course. When I looked at the Sun which, with so much light, only Adam and Eve could enjoy, I also looked at all the living; and in seeing that that light was to serve all, My paternal goodness exulted with joy, and I remained glorified in My works.

So I did with My dear Mama: I filled Her with so much grace, that She can give graces to all without ever exhausting even one of them. So I did with My Humanity: there is no good which It does not possess – and the very Divinity, to be

able to give It to whomever wants It. So I did with you: I enclosed in you My Will, and with It I enclosed Myself. I enclosed in you Its knowledges, Its secrets, Its light. I filled your soul up to the brim; so much so, that what you write is nothing other than the outpouring of what you contain of My Will. And even though it now serves you alone, and a few glimmers of light serve some other souls, I am content, because being light, it will make its way by itself, more than a second Sun, in order to illuminate the human generations and to bring about the fulfillment of Our works: that Our Will be known and loved, and that It reign as Life within the creatures. This was the purpose of Creation - this was its beginning, this will be its means, and end.

Therefore, be attentive, because this is about rescuing that Eternal Will which, with so much love, wants to dwell in the creatures. But It wants to be known, It does not want to be like a stranger; rather, It wants to give out Its goods and become life of each one, but It wants Its rights whole - Its place of honor. It wants the human will to be banished – the only eneMy for It, and for man.

The mission of My Will was the purpose of the creation of man. My Divinity did not depart from Heaven, from Its throne; My Will, instead, not only departed, but descended into all created things and formed Its Life in them. However, while all things recognized Me, and I dwell in them with majesty and decorum, man alone drove Me away. But I want to conquer him and win him; and this is why My mission is not finished. So I called you, entrusting to you My own mission, that you may place the one who drove Me away on the lap of My Will, and everything may return to Me, in My Will.

Therefore, do not be surprised at the great and marvelous things I may tell you for the sake of this mission, or at the many graces I may give you; because this is not about making a saint, but about saving the generations. This is about rescuing a Divine Will, for which everything must return to the beginning, to the origin from which everything came, so that the purpose of My Will may have its complete fulfillment.”
