

*Divine Will, More than Yeast Casts Divine Fermentation into Human Act*

*With Divine Will Truths*  
*Saint Mark 8:14-21*

*The disciples had forgotten to bring bread, and they had only one loaf with them in the boat. He enjoined them, "Watch out, guard against the leaven of the Pharisees and the leaven of Herod. "They concluded among themselves that it was because they had no bread. When he became aware of this he said to them, "Why do you conclude that it is because you have no bread? Do you not yet understand or comprehend? Are your hearts hardened?*

*Do you have eyes and not see, ears and not hear? And do you not remember, when I broke the five loaves for the five thousand, how many wicker baskets full of fragments you picked up?" They answered him, "Twelve."*

*When I broke the seven loaves for the four thousand, how many full baskets of fragments did you pick up? They answered (him), "Seven."*

*He said to them, "Do you still not understand?"*

**From the Book of Heaven**

**V26 – Sept. 15, 1929** - *"My daughter, Luisa wherever there is the Creative Force of My Divine Will, My Divine Breath has the Power to render the acts of the creature Immense. In fact, as the creature operates in My Fiat, the Creative Force Enters her act, placing in it the Fount of the Divine Immensity; and the little act of the creature converts, one into Fount of Light, another into Fount of Love, others into Founts of Goodness, of Beauty, of Sanctity. In sum, the more acts she does, the more Divine Founts she acquires; and they grow so much, as to spread within the Immensity of her Creator.*

*"It happens as to the yeast, that has the virtue of fermenting the flour, as long as, in forming the bread, one puts in it the little yeast as the germ of fermentation. But if one does not put the yeast, even though the flour is the same, the bread will never come out leavened, but unleavened. Such is My Divine Will—more than yeast that casts the Divine Fermentation into the human act; and the human act becomes Divine Act. And when I find the Germ of My Divine Will in the act of the creature, I Delight in Breathing on her act, and I Raise it so much as to render it Immense; more so, since We can Call that act 'Our Act'—'Our Will Operating in the creature.'"*
