

Divine Will Alone Transforms the Creature in God

Responsory

℟. Pray that the God of peace may make you ready to do his will in every kind of good action;* and may he transform you all into whatever is acceptable to himself, through Jesus Christ.

℣. May he give you all a heart to worship him and to do his will,* and may he transform you all into whatever is acceptable to himself, through Jesus Christ.

V24 - 7.14.28 - "Oh! Divine Will, how powerful You are! You alone are the transformer of the creature in God. Oh! My Will, You alone are the consumer of all evils and the producer of all goods. Oh! My Will, You alone possess the enrapturing strength, and whoever lets herself be enraptured by You becomes Light; whoever lets herself be Dominated by You is the most fortunate one in Heaven and on earth; she is the most Loved by God; she is the one who receives everything and gives everything."

V24 - 3.25.28 - "Such are the knowledges about My Fiat: if they are not made known, Its rays cannot extend and take souls as though in their hands, so as to warm them, remove from them the torpor of the human will, mold them anew, transform them again in the life that My Fiat wants to infuse in them; because these knowledges are, and contain, the new creation of transforming the creature as he came out of Our creative hands."

V24 - 4.4.28 - "So, after about two thousand years of cure, it is just and decorous for Us and for man that he no longer be sick, but that he be healthy again so as to enter into the Kingdom of Our Will. ***And this is why the knowledges about It were needed—so that Our Creative Word, that speaks and creates, speaks and communicates, speaks and transforms, speaks and wins, might speak and make new horizons, new suns rise for as many knowledges as It manifests, in such a way as to form so many sweet enchantments that, amazed, the creature will be conquered and invested by the light of My Eternal Will."***

V24 - 5.6.28 - And I said to myself: "If it was not Jesus that spoke to me, these will be writings without life, because only when Jesus speaks does life run within His Word; and as I write, the life of the truths that Jesus has told me remains in them, in such a way that ***those who will read them will feel the communicative virtue of a life that is being infused in them, and will feel transformed into the very life of the truth that they will read. But if it is not Jesus, these will be***

writings without life, empty of light and of goods—so, why make the sacrifice of writing?”

V30 - 4.9.32 - “...the Truth penetrates into the inmost fibers of her soul; and I keep molding the heartbeats, the affections, the desires, the intellect, the memory, the will, *to Transform her completely into the Life of the Truth.* And as I go on molding her, I keep repeating the Prodigies of the Creation of Man, and by the touch of My Hands I destroy the seeds of evil, and I make the Seeds of the New Life Rise Again. The creature feels My Touch and, as I keep molding her, the New Life is then given to her again. *On the other hand, the heavens, the sun, the sea, do not have the Transforming Virtue* of making of the creature a heaven, a sun, a sea—all the Good is limited to the outside, and nothing more. *See, then, how many Goods are enclosed in My having Manifested to you so many Truths?* Therefore, be attentive in corresponding to a Good so Great.”

Then, I continued to think about the many Truths on the Divine Will—how many Joys, how many Divine Transformations! They Themselves have been the Revealers of the Supreme Being; I would never have known my Creator, my Celestial Father, if the Holy Truths had not acted as Messengers, bringing to me the many Beautiful News of His Adorable Majesty.

“Therefore, only your Jesus has the Word ever New, Penetrating, full of Divine Freshness, of admirable Sweetness, of surprising Truth, such that the human intellect is forced to lower its forehead and say: ‘Here there is the Finger of God.’ Therefore, recognize a Good so Great, and let My Will alone be your Central Point in all things.”

V31 - 11.27.32 - “Here, therefore, the necessity for the Knowledges about the Divine Will, and We make them degree by degree so that the creature appreciates this Gift so Great, that We want to Gratuitously give her. *Knowledge generates the appetite, the desire to know more, and the human volition disposes itself, little by little, to undergo the Transformation, the Unification of the Divine Will.*”

V32 - 10.22.33 - “There are neither secrets nor screens for one who Lives in Our Will, but all is Revealed. We can say that We can not hide Ourselves from her, because Our Will Itself already Reveals Us. Who can hide from himself? To not know his secrets and what he wants to do? No one. He can hide himself

from others, but from himself, it will be impossible. Such is Our Will. *It makes Itself Revealer and lets the creature know what It does and what It wants to do, and It makes her the Great Surprise of Our Divine Being. But who can tell you where the creature reaches and what she can do by possessing Our Will as Life? The True Transformation and Consummation of the creature in God happens, and God takes the active part and He says: 'Everything is Mine, and I do everything in this creature.' It is the True Divine Wedding in which God cedes His Divine Being to His beloved creature.*

V34 - 5.16.37 - "These Truths are Our Births, they resemble Us, Our Supreme Being, in everything. They are not voices and they speak. They have no feet and they walk, but so fast, that no one can catch them, nor impede their step. They enter into the intelligences and form the thought in order to make themselves known. *They Transmute the will in order to make themselves possessed.*"

V36 - May 19, 1938 - "...So, whoever will read these Writings with the intention of finding the Truth, will feel My Flames and, all Transformed in Love, will Love Me more. But whoever will read them to split hairs and find doubts will remain blinded and confused by My Light and My Love. My children, the Goodness of My Truths produces two opposite effects: for those who are disposed, It is Light, giving sight to their intelligence, and the Life of Sanctity, contained in My Truths; for those who are not disposed, It is blindness, that deprives them of the Good contained in My Truths."
