

The Divine Will shall Draw the New Man from his Miseries

Article 1 MAN: THE IMAGE OF GOD (CCC)

1704 *The human person participates in the light and power of the divine Spirit. By his reason, he is capable of understanding the order of things established by the Creator. By free will, he is capable of directing himself toward his true good. He finds his perfection “in seeking and loving what is true and good.”⁷*

Matthew 4:16 - *“The people that sat in darkness, hath seen great light: and to them that sat in the region of the shadow of death, light is sprung up.”*

From the Book of Heaven

V24 - June 12, 1928 - *“My daughter, Power I do not lack—neither do I lack Will; therefore it is I Who Must lift again decayed man and restore him, because the human will rendered the Work of Our Creative Hands a wreck.”*

Then, moved to tears and sorrowful for poor man, He kept silent; and I thought to myself: “How can we return to the Original State of Creation since the human will has made man fall into an abyss of miseries, almost deforming him from the way in which he had been created?”

And my Sweet Jesus added: “My daughter, My Will can do anything. Just as It made man from nothing, so It can draw the New man from his miseries. And without changing method from the Way in which We Created him, leaving him his free will, We will use another Loving Device: the Light of Our Will shall unleash Its most Refulgent Rays more strongly; It will draw close, in such a Way as to look the human will in the face, which will receive the Enchantment of a Penetrating Light that, while dazzling it, sweetly draws it to Itself. And the human will, attracted by a Light so Radiant and of Rare Beauty, will have the desire to see what is so Beautiful in this Light. In looking, it will undergo the Enchantment, it will feel Happy and will Love—not being forced, but spontaneously—to Live in Our Will.

“Does the light of sun not have this virtue—that if one wants to fix on it, the pupil of the human eye remains dazzled in the light; and if it tries to look, it will see nothing but light, and the power of the light prevents the pupil from looking at the things around it? And if man is forced to lower his eyes to be freed of the light, it is because the excessive light hinders him and he does not feel happy; but if he felt happy, he would not easily withdraw his pupils from within the light of the sun.

“On the other hand, the Light of My Will shall not hinder the pupils of the soul; on the contrary, she will have the Good of seeing the very human acts Converted into Light, and will yearn for this Light to unleash Its Rays more strongly so as to see her acts with the Enchantment and the Beauty of this Divine Light. My Will has the Power to solve the problem of man, but It Must use a more Excessive Act of greater Magnanimity of Our Supreme Fiat; therefore, you, pray and plead a cause so Holy for poor creatures.”
