

# *Luisa and the Souls who Live in the Divine Will one with Luisa are Luminous Points in the World*

## **II. The Name, Titles, and Symbols of the Holy Spirit (CCC)**

### **Symbols of the Holy Spirit**

**697** *Cloud and light. These two images occur together in the manifestations of the Holy Spirit. In the theophanies of the Old Testament, the cloud, now obscure, now Luminous, reveals the Living and Saving God, while veiling the Transcendence of His Glory...*

**John 12:36** - *"Whilst you have the Light, believe in the Light, that you may be the children of Light. These things Jesus spoke; and He went away, and hid Himself from them."*

### **From the Book of Heaven**

**V24 - 7.23.28** - *Continuing in my usual Abandonment in the Supreme Fiat, I wished to Embrace everyone and everything, so that everything would become Divine Will; and my Sweet Jesus, coming out from within my interior, told me: "My daughter, the soul who Lives in My Will is the Luminous Point in the world. Just as a sun appears under the vault of the heavens, which invests the earth with its rays, and penetrating everywhere, embellishes, colors, fecundates the whole earth with its life of light, so another Sun, more Beautiful and more Refulgent, can be seen in that point of the world - that is, in the soul in whom My Divine Will Reigns - and her Rays Extend and Expand so much as to Embrace everything and everyone. How Beautiful it is to see from Heaven these Luminous Points in the depths of the earth! It no longer seems earth - but Heaven, because the Sun of My Fiat is present. Its Rays Embellish, Fecundate and Scatter such Variety of Divine Colors as to Communicate the Varieties of Beauties of the Creator with Its Life of Light. Wherever these Luminous Points are present, the current of evil is stopped; My Justice Itself feels Disarmed by the Strength of this Light, and changes the scourges into Grace. These Points are the Smile of the earth; their Light is Herald and Bearer of Peace, of Beauty, of Sanctity, of Life that Never dies. They can be called the Fortunate Points of the earth, because in their Midst there is the Light that Never dims, the Life that Always Rises; while where these Luminous Points are not present, the earth is obscure, and if any good is done, it is like those little lights that have no rays, because the source of the light is missing in that good, and therefore it has no strength nor virtue either to extend or expand. And since the source is missing, they are subject to being extinguished, and the earth remains obscured, as though buried in thick darkness, because the human will is herald and bearer of evils, of disturbances, of disorder and the like.*

*So, the soul in whom My Will does not Reign puffs out darkness, shadow and restlessness, and if she does any good, it is a good invested with fog. Her air is always unhealthy, her fruits unripe, her beauty faded. All the opposite for the soul in whom My Will Reigns: she is the True queen that Dominates everything, she gives Peace to all, does Good to all and is Welcomed by all; and while she does Good to all, she needs no one, because the Source of My Will which she Possesses makes all Goods Arise within her."*
