

## *Luisa is Worth More than Anything to Jesus*

**Ecclesiasticus 26:18** - *"Such is a wise and silent woman, and there is nothing so much worth as a well instructed soul."*

### **From the Book of Heaven**

**V23 - 12.14.27** - *"My daughter Luisa, I have you, who are worth more than anything; and putting everything aside, I will look at your value—that is, the Value of My Divine Will in you—and I will Dispose My Kingdom in the midst of creatures. A person is worth according to the Value that is Entrusted to him. If My Will contains an Infinite Value, that surpasses the whole value of all creatures together, one who Possesses It, before the Divine Majesty, has the Value that surpasses everything. So, for now I have you Luisa, and this is enough for Me in order to Dispose the Kingdom of My Will. Therefore, all the evils of this time—and they are too many—do not equal the great Value of My Divine Will Operating in one creature alone; and My Will shall use these evils to make a heap out of them and, with Its Power, to banish them from the face of the earth.*

*"The same happened in Redemption. Evils had not been banished from the earth—on the contrary, they abounded more than ever; but since the Sovereign Queen came upon earth—the Creature Who Possessed a Divine Will within Herself, Who Enclosed the Whole Value of the Good of Redemption—looking not at others, nor at their evils, I looked at the Value of this Celestial Creature, which was sufficient to Impetrate My Descent upon earth; and in view of She Alone, Who Possessed Our Prerogatives and the Value of a Divine and Infinite Will, I gave and formed the Kingdom of Redemption in the midst of creatures. So, in Disposing the Good of Redemption, I Wanted to find the Whole Value of It within My Mama; I Wanted to place in safety, inside Her Maternal Heart, all the Goods that My Coming upon earth into the midst of creature was to Enclose; and then I Conceded the Good that the Sovereign Queen of Heaven was asking of Me.*

*"I Acted like a prince when he must leave for a destination of more conquests: he chooses the most faithful one, he entrusts his secrets to him, he places in his hands the whole value of the expenditures needed for the conquests wanted; and trusting this one alone, who knows he possesses the whole value of the conquests desired, he takes leave triumphantly, knowing that the victory is certain.*

*"So I do. When I want to Give a Good to creatures, first I Trust one of them alone, I place in her the Whole Value of that Good; and then, as though assured, I Give the Good that she asks of Me for the other creatures. Therefore, think of Enclosing within yourself the Whole Value that the Kingdom of My Will Must Contain, and I will think of Disposing all the rest that is needed for a Good so Great."*
