

Luisa is the Bearer of Good for all Human Generations

Romans 15:1 - Now we that are stronger, ought to bear the infirmities of the weak, and not to please ourselves."

From the Book of Heaven

V36 - 5.15.38 - "You must know that Our Love is so Great that when We decide to give a Word, to Manifest a Truth from Our Supreme Majesty, We also provide the Act in which to do it, enclosing in Ourselves the Good which that Truth has to produce. When the Good We have to give to creatures, through those Truths We Manifest, is all mature and completed, then We give this Good to one of them, and she becomes the Bearer of that Good for the benefit of all human generations. Therefore, Our Words enclose all centuries, and being Words of Life they possess a Creative Strength. Wherever they reach out they will Create Life and bring the Goodness of Our Truth. So, stopping Our Words by not manifesting Them, means stopping all the Good and Lives that Our Words can produce. I know, My daughter, that you would never want to give Me such a Sorrow, by preventing this Great Good from reaching the human generations? Would you? One who loves Me cannot refuse Me anything, not even the sacrifice of her own life. Therefore be attentive, since you don't want to be responsible for so many of Our Divine Lives, which are destined to give Life to creatures."

After this, I felt in so much pain, it was as if I was going to breathe my last. Jesus immediately ran to sustain me in His arms and said: "What is it, tell me, do you want to come?"

And I: "Yes, Heaven willing that you make up Your mind to take me."

And Jesus: "My daughter, and what are we going to do with the earth?"

And I: "I don't know anything and I'm good at nothing, and then, what do I care about the earth?"

He said: “My daughter, but you should care, because your Jesus cares, and My Concerns and your concerns must be one. Now, you must know that the Divine Will has not yet been completely Manifested, although It will be soon, and the more It is Manifested the more souls get caught in the nets of Its Light. Not only this, but the more It matures and grows in one creature, the more all the others acquire the right to receive it, and We feel more moved to Grace the human generations, letting them possess Our Life and Will. Our Goodness and Our Love is such that in one creature We look at all, and for Love of one we also benefit all the others.

“But who then, overflows with this Good for all? The one who has been the first to receive that Good. The one who listened to Us and cherished Our Truths more than her own life. The one who, never looking for her own life, was ready to sacrifice it in every instant for love of Us, to let Us make of her what We wanted. This has so much power on Our Supreme Being, it moves Us so much that one alone is enough to let everybody receive that Good. Furthermore, the human generations are so linked together—more than the limbs to the body—that it is no wonder that one healthy and good member makes its vital and holy humors flow into the others. In the same way, the strength of one single creature Living in Our Will is Omnipotent, to the extent that it can overwhelm Heaven and earth; it conquer all, God as well as creatures. Therefore, let Me finish and I will take you soon.”
