

Each Act of Luisa's in the Divine Will is a Breath she does in God

From the Book of Heaven

V26 - 6.9.29 - "My daughter, each breath is the life of the next one that follows; so much so, that as one is about to release one breath, before it is emitted completely, it calls for another breath. So, it can be said that the breath has its life and gives life to the creature because it is continuous; they are so united and close among themselves as to be inseparable. And so also for the beating of the heart: one heartbeat calls for the life of the next heartbeat, and the continuous beating forms the life; so much so, that if the breathing and the beating cease, life no longer exists.

"Such is the soul who does and Lives in My Divine Will; her Identification, her Closeness with It, is such and so great—more than are breaths and heartbeats close among themselves. Therefore, the acts done in My Divine Fiat are like many breaths or heartbeats that the creature does in God, in such a way that she becomes the Divine Breathing, and My Fiat forms her breathing; so, it is life that they mutually exchange, to form One Single Life. Therefore, the acts done in Our Divine Will are Inseparable from Us, and We feel the Contentment of Breathing Our Work, and of feeling, as Our own, the Work that has come out of Us, and of letting her Live in Our House—and so close to Us as to Breathe her very breath."
