

## *Luisa is God's Refreshment for His Love*

**Proverbs 29:17 [Douay-Rheims]** - Instruct thy son, and he shall refresh thee, and shall give delight to thy soul.

### **From the Book of Heaven**

**V26 - 7.8.29** - "My daughter, the Sea of Our Divinity always Murmurs, without ever ceasing. But do you know what It says in Its Murmuring? 'Love! Love toward the creature!' And the Ardor of Our Love is so great, that in Our Continuous Murmuring We Overflow with Love, and We form such gigantic Waves as to be able to Drown Heaven and earth, and all creatures, all with Love. And seeing that they do not let themselves be filled completely with Our Love, with the Desire to see creatures Overflow with Our Love, the Delirious Love forms within Us; and in Our Delirium, putting the human ingratitude aside, and Murmuring, We repeat more loudly: 'Love! Always Love to the one who denies and does not take Our Love to let herself be Loved and give Us Love.'

"Now, Our Love, rejected, takes the attitude of Dolorous Love! But do you know who comes to give Refreshment and Calm to Our Deliriums of Love? Who soothes Our Dolorous Love and makes It Smile? The soul who Lives in Our Divine Will. Our Will forms Its Sea within the creature; Our Sea and hers Plunge together, and one Flows within the other, and—oh! how Sweet is the Murmuring of the creature within Our Murmuring, repeating continuously: 'Love! Love! Always Love to my Creator, to my Eternal Life, to He Who Loves me so much!'

"See then, one who Lives in Our Divine Fiat is Our Refreshment for Our Love that Devours Us, and forms the Sweet Sea for Our Dolorous Love. Oh! Prodigy of Our Divine Volition, that making use of Its Power, forms Its Sea in the creature; and putting her in a contest with Us, not only makes her Murmur Love Continuously, but Raises her so High that, Plunging her into Our Sea, when We feel Drowned, Devoured by Our Love and, unable to contain It, We feel the Necessity of Love, it makes Us Overflow into the Sea that Our Fiat has formed in the creature who Lives in It. And she gives Respite to Our Deliriums of Love, and Refreshing Us with her Love, she Soothes Us. How not to Love she who Lives in Our Will?"
