***Everything that Jesus did and suffered is in continuous act of giving itself to man. All the remedies needed for the whole humanity are in His Life and Passion.***

I was thinking about the Passion of my Sweet Jesus, and upon coming, He told me: "My daughter, every time the soul thinks about My Passion, remembers what I Suffered, or compassionates Me, she Renews within herself the Application of My Pains. My Blood Rises to Inundate her, and My Wounds place themselves on the path to Heal her if she is wounded, or to Embellish her if she is healthy - as well as My Merits, to Enrich her. The Commerce she produces is amazing; it is as if she placed on a counter everything I Did and Suffered, earning

twice as much. In fact, everything I Did and Suffered is in Continuous Act of Giving Itself to man, just as the sun is in continuous act of giving light and heat to the earth. My Work is not subject to exhaustion; if the soul just wants it so, and as many times as she wants, she receives the Fruit of My Life. So, if she remembers My Passion twenty, a hundred, a thousand times, so many more times will she Enjoy Its Effects. But how few are those who make a Treasure of it! With all the Good of My Passion, one can see souls who are weak, blind, deaf, mute, crippled - living cadavers, such as to be disgusting. This, because My Passion is put into oblivion.

My Pains, My Wounds, My Blood are Strength which removes weaknesses, Light which gives sight to the blind, Tongue which loosens the tongues and opens the hearing, Way which straightens the crippled, Life which raises the dead... All the Remedies Needed for the whole humanity are in My Life and Passion. But the creature despises the Medicine and does not care about the Remedies; and so one can see, in spite of all My Redemption, the state of man perishing, as though affected by an incurable consumption. But that which saddens Me the most is to see religious people who tire themselves out in order to acquire doctrines, speculations, stories; but about My Passion - nothing. So, many times My Passion is banished from churches, from the mouth of Priests; therefore, their speech is without Light, and the peoples remain more starved than before."

***The Divine Will is One Single Act, Immense and Eternal, which contains, all together, Creation, Redemption and Sanctification. One who Lives in the Divine Will Possesses this Single Act and takes part in all Its Works, forming One Single Act with her God.***

As I was in My usual state, I felt my Sweet Jesus move in my interior, in the act of laying Himself within me, as if He were placing Himself in Agony. I could hear His rattle of Agony, and I too felt I was agonizing together with Him. Then, after I had suffered for a little while together with Jesus, He said to me: "My daughter, thinking about My Passion, compassionating Me in My Pains, is very pleasing to Me. I feel I AM not alone in My Pains, but I have with Me the company of the creature, because of whom I Suffer, and whom I Love so much; and as I have her with Me, My Suffering becomes Sweeter for Me. How hard is isolation in Suffering! When I see Myself alone, I have no one to whom to Entrust My Pains, nor anyone to whom to give the Fruit which My Pains contain; and so I remain as though drowned with Pains and Love. Therefore, as My Love can endure no more, I come to You, to Suffer within you, and you with Me, the Pains of My Passion, in Act, in order to repeat what I Did and Suffered in My Humanity. To repeat My Passion in Act in the creature is different from one who only thinks about and compassionates My Pains. The first is an Act of My Life, which takes My Place in order to repeat My Pains, and I feel I AM given back the Effects and the Value of a Divine Life. On the other hand, when one thinks about My Pains and compassionates Me, it is the mere company of the creature that I feel. But do you know in whom I can repeat the Pains of My Passion in Act? In one who has My Will as Center of Life.

My Will alone is One Single Act which has no succession of acts. This Single Act is as though fixed to One Point which Never moves; and this Point is Eternity. And while being One Single Act, Prime Act, Endless Act, Its Circumference is so Immense that nothing can escape It; It Embraces everything and everyone with One Single Embrace, because everything starts from that Prime Act, as One Single Act. So, the Creation, the Redemption and the Sanctification are One Single Act for the Divinity; and only because it is One Single Act, it has the Power to make all acts Its own, as if they were One alone. Now, one who Lives in My Will Possesses this Single Act, and it is no wonder that she takes part in the Pains of My Passion, as though in Act. In this Single Act she finds, as though in Act, her Creator Creating the Creation; and forming One Single Act with her God, she Creates together with Him, Flowing as One Single Act in all Created things, and forming the Glory of Creation for her Creator. Her Love Shines over all Created things; she Enjoys and takes Pleasure in them; she Loves them as things belonging to herself and to her God. In that Single Act she has a Note that Echoes the Whole of the Divine Operating; and in her Emphasis of Love, she says: 'What is Yours is mine, and what is mine is Yours. Be Glory, Honor and Love to My Creator.' In this Single Act she finds the Redemption in Act; she makes It all her own, she suffers My Pains as if they were her own, she Flows within everything I Did - in My Prayers, in My Pains, in My Words - in everything; she has a Note of Reparation, of Compassion, of Love and of Substitution for My Life. In this Single Act she finds everything; she makes everything her own, and places her Requital of Love everywhere. This is why the Living in My Will is the Prodigy of prodigies; it is the Enchantment of God and of all Heaven, as they see the littleness of the creature Flow in all the things of their Creator. Like solar ray, Bound to this Single Act, she Diffuses everywhere and in everyone. Therefore I recommend to you: even at the cost of your life, Never go out of this Single Act of My Will, that I may Repeat in you, as though in Act, the Creation, the Redemption and the Sanctification."
