Prayer to Our Lady of Lourdes

Be blessed, O Most Pure Virgin, for having vouchsafed to manifest Your shining with Life, Sweetness and Beauty, in the Grotto of Lourdes, saying to the child, St. Bernadette: "I am the Immaculate Conception." A thousand times we congratulate You upon Your Immaculate Conception.

And now, O ever Immaculate Virgin, Mother of Mercy, Health of the sick, Refuge of sinners, Comforter of the afflicted, You know our wants, our troubles, our sufferings deign to cast upon us a look of Mercy.

By appearing in the Grotto of Lourdes, You were pleased to make it a privileged sanctuary, whence You dispense Your favors, and already many have obtained the cure of their infirmities, both spiritual and physical. We come, therefore, with the most unbounded confidence to implore Your Maternal Intercession. Obtain for us, O Loving Mother, the granting of our request.

(state Your request)

Through gratitude for Your favors, we will endeavor to imitate Your Virtues, that we may one day share Your Glory.

*Our Lady of Lourdes, Mother of Christ, You had influence with Your Divine Son while upon earth. You have the same influence now in Heaven. Pray for us; obtain for us from Your Divine Son our special requests if it be the Divine Will. **Amen.***

***(Our Father, Hail Mary, Glory Be.)
Our Lady of Lourdes, pray for us.
Saint Bernadette, pray for us.***

FROM THE BOOK OF HEAVEN

Volume 15 - December 8, 1922

I write to obey, and I offer everything to my sweet Jesus, uniting myself to the sacrifice of His obedience in order to obtain the Grace and the strength to do it as

He wants. And now, oh! my Jesus, give me Your Holy Hand and the Light of Your Intelligence, and write together with me.

I was thinking about the Great Portent of the Immaculate Conception of my Queen and Celestial Mama, and in my interior I heard Him say: "My daughter (Luisa), the Immaculate Conception of My Beloved Mama was Prodigious and all Marvelous; so much so, that Heaven and earth were astonished and made Feast. All Three Divine Persons competed among Themselves: the Father poured out an Immense Sea of Power; I, the Son, poured out an Infinite Sea of Wisdom, and the Holy Spirit, an Immense Sea of Eternal Love, which, merging into one, formed one single Sea; and in the middle of this Sea the Conception of this Virgin was formed, Chosen among the Chosen. So, the Divinity Administered the Substance of this Conception, and this Sea was not only the Center of Life of this Admirable and Singular Creature, but it remained around Her - not only to keep Her defended from anything which might shadow Her, but to give Her, in every instant, New Beauties, New Graces, Power, Wisdom, Love, Privileges, etc. So, Her little Nature was Conceived in the Center of this Sea, and was Formed and Grew under the influence of these Divine Waves; so much so, that as soon as this Noble and Singular Creature was Formed, the Divinity did not want to wait as It usually does with other creatures - It wanted Her Embraces, the return of Her Love, Her Kisses, and to enjoy Her Innocent Smiles. Therefore, as soon as Her Conception was Formed, I gave Her the use of Reason, I endowed Her with all Sciences, I made Her aware of Our Joys and Our Sorrows with regard to Creation. Even from the maternal womb, She would come to Heaven, at the Foot of Our Throne, to give Us Her Embraces, the return of Her Love, Her Tender Kisses; and throwing Herself into Our Arms, She would smile at Us with such delight of Gratitude and Thanksgiving as to snatch Our Smiles. Oh! how Beautiful it was to see this Innocent and Privileged Creature, Enriched with all the Divine Qualities, coming into Our Midst, all Love, all Trust, without fear. In fact, sin alone is what puts distance between Creator and creature, breaking Love, dissolving Trust, and striking fear. So, She would come into Our Midst as Queen who, with Her Love, given by Us, would Dominate Us, Enrapture Us, put Us in Feast, and capture yet more Love. And We would let Her do it, enjoying the Love that Enraptured Us, and Constituting Her Queen of Heaven and earth.

Heaven and earth exulted and made Feast together with Us, having their Queen after so many centuries. The sun smiled in its light, and considered itself fortunate in having to serve its Queen by giving Her light. The heavens, the stars, and the

whole universe smiled with Joy and made Feast, because they were to delight their Queen, showing Her the Harmony of the Spheres and of their Beauty. The plants smiled, which were to nourish their Queen; and the earth too, smiled and felt ennobled in having to provide the residence for its Empress and to be trodden by Her Steps. Only hell cried and felt itself losing strength because of the Dominion of this Sovereign Lady.

But do you know what was the First Act which this Celestial Creature did when She found Herself before Our Throne for the first time? She recognized that all the evil of man had been the split between his will and That of his Creator; She trembled, and with no delay She bound Her will to the Foot of My Throne, without even wanting to know it. And My Divine Will bound Itself to Her and Constituted Itself the Center of Her Life, so much so, that all Currents, all Relations, all Communications opened between Her and Us, and there was no Secret which We did not Entrust to Her. This, indeed, was the Most Beautiful, the Greatest, the Most Heroic Act She did – to lay down Her will at Our Feet; an Act which made Us, as though Enraptured, Constitute Her Queen of all. Do you see, then, what it means to bind oneself to My Divine Will and to not know one's own?

The Second Act was to offer Herself for any Sacrifice for Love of Us. The Third, to render Us the Honor and the Glory of the whole Creation, which man had taken away from Us by doing his own will. And even from the Maternal Womb She cried for Love of Us, in seeing Us offended; and She cried with Sorrow over guilty man. Oh! how these Innocent Tears moved Us, and hastened the longed for

Redemption! This Queen Dominated Us, Bound Us, and snatched infinite Graces from Us. She made Us incline so much toward mankind, that We could not resist, nor did We know how to resist Her repeated petitions. But whence came to Her so much Power, and so much influence over the very Divinity? Ah! you have understood: it was the Power of Our Divine Will Acting in Her, which, while Dominating Her, rendered Her Dominator of God Himself. And besides, how could We resist so Innocent a creature, Possessed by the Power and Sanctity of Our Divine Will? It would be as though resisting Ourselves. We could see Our Divine Qualities in Her. The Reflections of Our Sanctity, the Reflections of the Divine Ways, of Our Love, of Our Power, etc., poured over Her like Waves; as well as Our Divine Will, which was Her Center, drawing all the Reflections of Our Divine Qualities, and making Itself Crown and Defense of the Divinity Dwelling within Her. If this Immaculate Virgin had not had the Divine Will as Center of Life, all the other Prerogatives and Privileges with which We so Enriched Her would have been, in comparison, an absolute nothing. This is what Confirmed and Preserved for Her so many Privileges; even more, It multiplied New ones in every instant.

Here, then, is the Reason why We Constituted Her Queen of all; because when We Operate, We do it with Reason, Wisdom and Justice: She never gave life to Her human will, but Our Divine Will was always intact in Her. How could We say to another creature: 'You are Queen of the heavens, of the sun, of the stars, etc.', if instead of having Our Divine Will as Dominion, she were dominated by her human will? All of the elements, the heavens, the sun, the earth, would have withdrawn from the Regime and Dominion of this creature. All would have cried out in their mute language: 'We do not want her, we are superior to her, because we have never withdrawn from your Eternal Volition - as You created us, so we are'. So would the sun have cried out with its light, the stars with their glittering, the sea with its waves, and everything else. On the contrary, as soon as they all felt the Dominion of this Excelling Virgin who, almost as their sister, never wanted to know Her own will, but only That of God, not only did they make Feast, but they felt honored to have their Queen, and they ran around Her to form Her Cortège and to pay obsequies to Her - the moon, by placing itself as footstool at Her feet; the stars as crown, the sun as diadem, the Angels as servants, and men as though in waiting. Everyone - everyone paid Her Honor and rendered their obsequies to Her. There is no Honor and Glory which cannot be given to Our Divine Will - whether Acting within Us, in Its own Center, or Dwelling in the creature.

But do you know what was the First Act which this Noble Queen did when, coming out of the maternal womb, She opened Her eyes to the light of this low world? As She was born, the Angels sang lullabies to the Celestial Baby, and She remained Enraptured; Her Beautiful Soul went out of Her little body, accompanied by Angelic Cohorts, and went around Heaven and earth, gathering all the Love that God had spread throughout the whole Creation; and penetrating into Heaven, She came to the Foot of Our Throne, offered Us the return of the Love of all Creation, and pronounced Her First 'Thank You' in the name of all. Oh! how happy We felt in hearing the 'Thank You' of this Little Baby Queen. And We Confirmed in Her all Graces, all Gifts, such as to make Her surpass all other creatures together. Then, throwing Herself into Our Arms, She Delighted with Us, swimming in the Sea of all Contentments, being Embellished with New Beauty, with New Light and with New Love. She pleaded once again for mankind, praying Us in Tears to let the Eternal Word descend in order to save Her brothers. But as She was doing this, Our Divine Will let Her Know that She should descend to the earth, and immediately She left Our Contentments and Joys, and departed, in order to do... what? Our Divine Will. What Powerful Magnet Our Divine Will was, Dwelling on earth in this Newborn Queen! No longer did the earth appear alien to Us; We no longer felt like striking it, making use of Our Justice. We had the Power of Our Divine Will which, in this Innocent Child, blocked Our Arms, smiled at Us from the earth, and turned Justice into Graces and Sweet Smile; so much so, that unable to resist this Sweet Enchantment, the Eternal Word hastened His Course. Oh, Prodigy of My Divine Will! - to You everything is due, through You everything is Accomplished, and there is no Greater Prodigy than My Divine Will Dwelling in the creature."

The Mission of Living in the Divine Will: the Mission of Our Lord Jesus Christ, the Mission of Mary Most Holy, and the Mission of Luisa.

I (Luisa) was thinking about the many things that my beloved Jesus told me on His Most Holy Divine Will, and some doubts came back to me – that, who knows, it might really not be necessary to say everything, or, that some things were not necessary. But Jesus, wanting to lovingly resolve my doubts and make me know the Mission He (Jesus) entrusts to (Luisa) the one who is to make His Divine Will Known – having chosen for this the misery that I am, to my great stupefaction and confusion – continuing His Holy Instructions on this matter, told me: "My daughter

(Luisa), every Mission is to be connected to the Office of executing it, and therefore it must be carried out omitting nothing of that which belongs to It. In fact, every Mission which is destined for the Good of others, has its own particular Gifts, Graces, riches and Qualities, which are useful for its execution.

My Holy Humanity received from My Divinity the Mission of the Salvation of souls and the Office of Redeemer – that is, to Redeem them from the slavery of sin and from eternal death. In order to carry out this Office, I (Jesus) was given their souls, their pains, their satisfactions. Therefore, I (Jesus) enclosed within Myself everything from everyone; and if my Holy Humanity had neglected to enclose in Itself just one soul, one satisfaction, the Office of Redeemer would not have been complete - I (Jesus) would not have enclosed in Myself all the graces, the goods and the light which it was necessary to give to each soul. And even though not all of the souls are saved, this says nothing. On My part, I (Jesus) had to enclose the Goods of all, so that I (Jesus) might have necessary and Superabundant Graces for all (past, present and future), in order to be able to save all. This was convenient to Me for the Decorum and the just Honor of My Office as Redeemer.

Look at the sun above your horizon: it contains so much light as to be able to give light to all; and even though not all might want to enjoy its light, by its unique Office as Sun, it possesses even the light that creatures might refuse. This was convenient to the Sun, because it was created by God as the unique sphere which was to warm and embrace the earth with its Light. Each created being has its own Office to carry out, and that Office is unique - linked to that being, to that creature. In order to execute it well, it is necessary that the one who is to carry out the Office entrusted to her, contain so much of that Good – Good which she must give to others according to the Mission for which she was created - that as much of it as she gives, it is never exhausted, not even by one atom.

This was even more convenient to Me, Who was to be the New Sun of the souls, and Who was to give light to all and embrace all with My Light, to bring them all to the Supreme Majesty, offering to this Divine Majesty an act from Myself which would contain all acts, and to make the Superabundant Light of My Divinity descend upon all in order to rescue them.

In addition to Me, there is My Celestial Mama, who received the unique Mission as the Mother of a God Son, and the Office of Co-Redemptrix of mankind. For her

Mission of Divine Maternity, She (Mary) was enriched with so much grace, that all other creatures combined, both celestial and terrestrial, would never be able to equal Her (Mary). But this was not enough to draw the Word (Jesus) into her Maternal Womb; it was necessary that the Mother put in action all this abyss of graces and gifts, by embracing all creatures, loving them, repairing and adoring the Supreme Majesty for all; in such a way as to accomplish Herself, all that the human generations owed to God. Therefore, in her virginal Heart She (Mary) had an inexhaustible vein for God and for all creatures. When the Divinity found in this Virgin compensation for the love of all, It felt enraptured, and formed in Her Its Conception – that is, the Incarnation of the Word. And as She (Mary) conceived Me (Jesus), She (Mary) took on the Office of Co-Redemptrix, and shared and embraced together with Me, all the pains, the substitutions, the reparations, the Maternal Love, for all. In the Heart of My Mother there was a fiber of Maternal Love for each creature. This is why, in Truth and with Justice, when I (Jesus) was on the Cross, I (Jesus) declared Her Mother of all. She (Mary) ran together with Me in the love, in the sufferings - in everything; She (Mary) never left Me alone. If the Eternal One had not placed so much Grace in Her as to be able to receive, alone, the love of all - He would never have moved from Heaven to come down upon earth and redeem mankind. Here is the necessity, the convenience - that She (Mary) had to embrace and surpass everything, as befitting the Mission of the Mother of the Word.

When an Office is Unique, as a consequence, nothing must escape the one who has it as Mission. He must have everything under his eyes, so as to be able to offer the Good he Possesses; he must be like a True Sun that can give Light to all. So were I, and my Celestial Mama.

*Now, your Mission (Luisa) of making Known the Eternal Will is braided with Mine and with that of My dear Mother (Mary). And since it has to serve for the good of all, it was necessary to centralize the Eternal Sun of My Divine Will into one creature (Luisa); so that, as a unique Mission, this Sun might let its Rays Blaze from her (Luisa), and all might take the good of Its Light. This implies that, for **the Decorum and Honor of My Divine Will, I (Jesus) had to pour into you (Luisa)**, as bearers and preparations, such Graces, Light, Love and Knowledge of It, as to befit the residence of the Sun of My Divine Will. Even more, you (Luisa) must know that, just as My Humanity, in Its Office of Redeemer, conceived all souls, **the same was to happen in you (Luisa), in your Mission (Luisa) and Office to make My Divine Will Known and Reign:** as you (Luisa) continue to do*

*your acts (Luisa) in My Divine Will for all (past, present and future), **all creatures remain conceived in your will (Luisa)**; and as you keep repeating your acts in Mine, you (Luisa) form many sips of Life of Divine Will, **in order to be able to nourish all the creatures** (past, present and future) which are as though **conceived in yours (Luisa)**, by virtue of My Divine Will. Do you not feel how, in My Divine Will, **you (Luisa) embrace all (past present and future), from the first to the last creature which is to exist upon earth; and for all, you (Luisa) would want to satisfy, love, please this Supreme Will, binding It to all, removing all obstacles that prevent Its Dominion in the creatures - making It Known to all; and even with sufferings, you (Luisa) expose yourself to satisfy for all, this Supreme Will, which so much loves to be Known and to Reign in the midst of creatures?***

*To you (Luisa), **Firstborn Daughter of My Divine Will**, it is given to make Known the Qualities, the Value, the Good It contains, and Its eternal sorrow of Living unknown - hidden, in the midst of the human generations; even more, despised and offended by the evil ones, and placed by the good ones at the level of the other virtues, as if It were a little light which is lit by men - as virtues are in comparison with my Divine Will - and not the Eternal Sun that My Divine Will is.*

The Mission of My Will is the Greatest that can exist: there is no Good which does not descend from It; there is no Glory which does not come from It. Everything is Centered in It: Our Interior Works and those which We (Triune God) have delivered; the Creation of the Angels, of the world, of men; all Virtues, all Merits, all Predestinations, all Goods, all the Glory of the chosen ones, all the Mysteries of the Infinite Love, which are still unknown to man; and the past, the present, the future – all in one Act and in act, and in one single point.

*Therefore, **be attentive, and do not want to waste time with doubts or uncertainties** (Jesus is talking to us as well). Everything I (Jesus) told you (Luisa) for this Mission was Necessary - not for you (Luisa), but for the Honor, the Glory, the Knowledge and the Sanctity of My Divine Will and of Its Dominion in the creatures. And since **My Divine Will is one, one was to be the creature (Luisa) to whom I (Jesus) had to Entrust It, and through whom It would Make Its Rays Blaze, to do good to all.**"*
