

# *Baby Jesus in Luisa's Field of Clearest Crystal*

*Paragraph 2471 - II. To Bear Witness to the Truth*

*"...We must keep "a **clear** conscience toward God and toward men." 268 ( 1816 ) CCC*

*Wisdom 17:19*

*For the whole world was enlightened with a **clear light**, and none were hindered in their labours.*

## *FROM THE BOOK OF HEAVEN*

*V24 – August 2, 1928 - Then, after this, He (Jesus) Made Himself Seen in my (Luisa's) interior. In the Depth of it I saw a Most Extensive Field—not of earth, but of Clearest Crystal. Every two or three steps in this Field there was Baby Jesus Surrounded by a Light. Oh! How Beautiful this Field Looked with So Many Babes. Each of Them had His Own Sun, Radiant and Beautiful—All for Himself.*

*I was Surprised at seeing So Many Jesuses in the Depth of my soul, Each of Them All Intent on Enjoying His Own Sun; and my Sweet Jesus, Seeing my Surprise, Told me: "My daughter, Do Not be Surprised. This Field that you see is My Divine Will, and the Many Jesuses you see are My Truths Regarding My Fiat. In Each of Them there is a Life of Mine that, Forming Its Radiant Sun, Surrounds Itself with Light so as to Spread Its Endless Rays to Make Known that I Myself AM the Springing Fount of My Truths.*

*“See, then, How Many Lives of Mine I Have Put Out; as Many Truths as I Have Manifested to you, So Many are My Lives that I Have Put Out with the Very Source of the Sun—not just a simple light. And I Have Remained in Their Midst so that All might Feel the Creative Strength and Virtue in these Truths; and I Love Each of them So Much—As Much As I Love Myself. And whoever would not want to Recognize My Life, My Sun, My Creative Virtue in these Truths About My Fiat is either blind or has lost the Good of the intellect. Also, it Should Be of Great Consolation for you to Possess within yourself as Many Lives of Mine for as Many Truths as I Have Manifested to you.*

*“Therefore, Recognize the Great Good—Greater Treasure I could not Entrust to you; and do not be concerned—the Sun will Know How to Make Its Way, and since It is Light, no one will be able to prevent Its Step.”*

*Then He Added with a More Tender Accent: “My daughter, Luisa, Our Adorable Majesty Loves the creature So Much that We Put Our Life at her Disposal to Make of her Another Similar to Us. We Place Our Life as a Model Before the creature, so that, by Modeling herself on Our Model, she May Copy Our Life and Form Facsimiles of her Creator. This is Why We Use Many Stratagems, Finesses of Love, and We Give Surprising Graces—to See Ourselves Copied in the creature. And only then Shall We Be Content, When—as Our Love, United with Our Divine Will, Conquers the creature—We will Be Able to Recognize Our Image and Likeness in her, just as she Came Out of Our Creative Hands.”*
