

Strength and Light of the Soul Who Lives in the Divine Will

Baruch 3:13

[13] For if thou hadst walked in the way of God, thou hadst surely dwelt in peace for ever. [14] Learn where is wisdom, where is strength, where is understanding: that thou mayst know also where is length of days and life, where is the light of the eyes, and peace.

From the Book of Heaven

V33 – February 10, 1934 - I feel myself the little daughter, but so little that I Feel the Extreme Need that the Divine Will, More than my mother, Carries me in Its Arms, Feeds me the Words, Administers to me the motion to my hands, Sustains my step, Forms for me the heartbeat in my heart and the thought in my mind. O! Divine Will How Much You Love me. I Feel Your Life Re-Pour into me in order to Give me Life, and how It is in Expectation of Wanting the atoms of my actions in order to Invest them with Its Creative Strength and Tell me: “The atoms of My daughter Match Me because they Possess My Invincible Strength.”

But while my mind Remained Surprised in seeing the Loving and Maternal Intentions of the Divine Will, my Always Lovable Jesus, Who is Always on the Lookout in order to be Spectator of What the Divine Volition Does in me, Told me: “My little daughter, You Must Know that My Supreme Volition Looks at one who Wants to Live in It as Its Birth—who Wants to Grow in Its Arms with Its Maternal Cares—and as It Sees that Its tiny one Wants to Give of herself with her little works in order to tell It that she Loves It, this Divine Mother Clasps Its daughter to Its Bosom and Fortifies with Its Strength the motion, the word, the step of Its daughter. This Strength Invests everything; it Transforms her, and although she is little, she sees herself little and Strong, little and Victor, and this Mother Takes Enjoyment in letting Itself be Conquered by Its little daughter.

“In fact, this creature sees herself Strong in the Love, Strong in the Suffering, Strong in the Operating. Strength is the Halo of this creature, she is the Invincible One before God and over herself, her weaknesses and passions tremble before this little Victor. God Himself Smiles and Changes Justice into Love, into Forgiveness, before the Infantile Strength of this creature. It is the Strength of her Mama, Her Perennial Care, that Renders her Strong and Invincible. Therefore if you Want to be Victor Over Everything, Grow in the Arms of My Will. It will Pour Itself Out in you, and you will Feel Its Palpitating Life in you, and It will Raise you in Its Likeness and you will be Its Honor, Its Triumph, and Its Glory.”

V19 – May 31, 1926 – “Now, My daughter, from What I Have Told you, you Can Comprehend that the Living in My Will is to Possess the Source of the Unity of the Light of My Will, with All the Fullness of the Effects Contained in It. So, Light, Love, Adoration... Arise in Each Act of the creature, which, Constituting itself Act for Each Act, Love for Each Love, Like solar light invades Everything, Harmonizes Everything, Centralizes Everything Within itself; and Like a Shining Ray it Brings to her Creator the Return for All that He has Made for All creatures and the True Note of Accord between Heaven and earth. What a difference between one who Possesses the Source of the Goods which the Sun of My Will Contains, and one who Lives of the Effects of It! It is the difference that exists between the sun and the earth. The sun always possesses the fullness of its light and effects, it is always blazing and majestic in the Vault of the heavens, nor does it need the earth. While it touches everything, it is untouchable, it does not let itself be touched by anyone; and if anyone dared even to fix on it, it would eclipse him, blind him and knock him down with its light. On the other hand, the earth is in need of everything, it lets itself be touched and stripped; and if it wasn't for the light of the sun and its effects, it would be a gloomy prison, full of squalid misery. Therefore, there is no comparison that holds between one who Lives in My Will and one who submits to It.

So, before sinning, Adam did Possess the Unity of Light, but he could no longer recover it during his Life; it happened to him as to the earth that turns around the sun: not being fixed, in turning around, it opposes the sun and forms the night. Now, in order to Render him Firm Again so that he Might Sustain the Unity of this Light, a Repairer was Needed, and this Repairer was Supposed to be Superior to him; a Divine Strength was Needed in order to Straighten him up. Here is the Necessity of Redemption.

My Celestial Mama also Possessed the Unity of this Light, and this is Why, More than sun, She can Give Light to All. It was Never Nighttime, nor was there ever a shadow between Her and the Supreme Majesty, but Always Full Daylight. Therefore, in Each Instant, this Unity

of the Light of My Will Made the Whole of the Divine Life Flow Within Her, which Brought Her Seas of Light, of Joys, of Happinesses, of Divine Knowledges, Seas of Beauty, of Glory, of Love. And She, as though in Triumph, Brought All these Seas to Her Creator as Her Own, to Attest to Him Her Love, Her Adoration, and to Charm Him with Her Beauty; and the Divinity Made Flow yet More and New Beautiful Seas. She Possessed so Much Love that, as though Naturally, She could Love All, Adore and Make Up for All. Her littlest Acts Done in the Unity of this Light were Superior to the greatest Acts and to All the Acts of All creatures Together. Therefore, the sacrifices, the works, the love of all other creatures can be Called little flames before the Sun, little drops of water before the Sea, Compared to the Acts of the Sovereign Queen; and this is Why, by Virtue of the Unity of this Light of the Supreme Volition, She Triumphed over Everything and Conquered Her very Creator, Making Him a Prisoner in Her Maternal Womb. Ah! Only the Unity of this Light of My Will, which She Who Ruled Over Everything Possessed, was Able to Form this Prodigy which had never before occurred, Administering to Her Acts Worthy of this Divine Prisoner.

By losing this Unity of Light, Adam turned himself upside down and formed night, weaknesses, passions, for himself and for the generations. By Never Doing Her Own will, this Excelling Virgin Remained Always Straight, and Facing the Eternal Sun; therefore it was Always Daylight for Her, and She Made the Day of the Sun of Justice Arise for All generations. If this Virgin Queen had done nothing else but Preserve the Unity of the Light of the Eternal Volition in the Depth of Her Immaculate Soul, this would have been Enough to Give Us Back the Glory of All, the Acts of All, and the Requital of Love of All Creation. Through Her, by Virtue of My Will, the Divinity Felt Come Back to Itself, the Joys and the Happiness which It had Established to Receive through Creation. Therefore She can be Called the Queen, the Mother, the Foundress, the Base and the Mirror of My Will, in which All can reflect themselves to Receive Its Life from Her.”

After this, I Felt as though Soaked with this Light, and I Comprehended the great Prodigy of Living in the Unity of this Light of

the Supreme Volition; and My Sweet Jesus, Coming Back, Added: "My daughter, Adam in the state of innocence and My Celestial Mama Possessed the Unity of Light of My Will - not by their own Virtue, but by Virtue Communicated by God. On the other hand, My Humanity Possessed it by Its Own Virtue, because in It there was not only the Unity of the Light of the Supreme Volition, but there was the Eternal Word; and since I AM Inseparable from the Father and the Holy Spirit, the True and Perfect Bilocation Occurred - that while I Remained in Heaven, I Descended into the Womb of My Mama; and since the Father and the Holy Spirit are Inseparable from Me, They too Descended into it, and at the Same time They Remained in the Heights of the Heavens."
