

The Divine Engineer Forms the New Citadel of the Soul Who Lives in the Divine Will

Paragraph 756 - I. Names and Images of the Church

756 “Often, too, the Church is called the building of God. The Lord compared himself to the stone which the builders rejected, but which was made into the corner-stone. On this foundation the Church is built by the apostles and from it the Church receives solidity and unity. This edifice has many names to describe it: the house of God in which his family dwells; the household of God in the Spirit; the dwelling-place of God among men; and, especially, the holy temple. This temple, symbolized in places of worship built out of stone, is praised by the Fathers and, not without reason, is compared in the liturgy to the Holy City, the New Jerusalem. As living stones we here on earth are built into it. It is this holy city that is seen by John as it comes down out of heaven from God when the world is made anew, prepared like a bride adorned for her husband.¹⁴⁸ (797, 857, 1045)CCC

Matthew 16:18

That thou art Peter; and upon this rock I will build my church, and the gates of hell shall not prevail against it.

Apocalypse (Revelation) 3:12

He that shall overcome, I will make him a pillar in the temple of my God; and he shall go out no more; and I will write upon him the name of my God, and the name of the city of my God, the new Jerusalem, which cometh down out of heaven from my God, and my new name.

From the Book of Heaven

V33 – March 4, 1934 - “My daughter, in order to form a city, first the ways are formed, that form the order that a city must have, and then the foundations are cast in order to construct it. If the ways are not formed—the exits, the communications that it must have, are not formed—there is the danger that instead of a city, the citizens could form for themselves a prison, because the ways not being provided, they do not know where to go out. Do you see how necessary the ways are? Now, the city without Way is the human will that, closed in its prison, has closed all the Ways in order to Enter into the Celestial City of My Divine Will. Now the soul who Enters into It Breaks the prison, Knocks Down the unhappy city without Ways, without Exits, and United with the Power of My Volition, the Divine Engineer Forms the Plan of the City, Orders the Ways, the Communications, and Acting as Insuperable Craftsman, Forms the New Citadel of the soul with Such Mastery as to Form the Ways of Communication in order to let other souls Enter and Form So Many Citadels in order to Be Able to Form a Kingdom. The First will be the Model of the others. See, therefore, what the Acts Done in My Will Serve. They are So Very Necessary for Me, that without them the Way would be lacking in order to let It Reign. Therefore I Want you Always in My Will, Never Come Out of It if you Want to Render your Jesus Content.”
