

# *Divine Plan of God*

*June 18*

## *Providence and secondary causes*

**306** *God is the sovereign master of His plan. But to carry it out he also makes use of his creatures' cooperation. This use is not a sign of weakness, but rather a token of almighty God's greatness and goodness. For God grants his creatures not only their existence, but also the dignity of acting on their own, of being causes and principles for each other, and thus of cooperating in the accomplishment of His plan.*

## *From the Letters of the Servant of God Luisa Piccarreta*

**129.** *My good daughter in the Divine Volition,*

*I am sorry for your painful state, but You Must Know that the **Divine Will has Its Plans** and works to do. So, if you think that the Divine Will is working you, your tears and anguish will cease; you will have a divine strength in your power, and everything will seem sweet and bearable. Think that your pains serve Jesus, and that He keeps them in His hands as precious coins with which to save souls. Abandon yourself to the Divine Will. Let Its Divine Life rise again in all your sufferings.*

*I leave you with all your pains in the Divine Volition. Pray for me. And sending you my regards with the love of the Fiat, I say,*

*Most affectionately yours,  
The little daughter of the Divine Will.*

### ***From the Book of Heaven***

**V33 – March 4, 1934** – “...Now, the city without way is the human will that, closed in its prison, has closed all the ways in order to enter into the Celestial City of My Divine Will. Now the soul who enters into It breaks the prison, knocks down the unhappy city without ways, without exits, and united with the Power of My Volition, the Divine Engineer **forms the Plan** of the city, orders the ways, the communications, and acting as Insuperable Craftsman, forms the New Citadel of the soul with such Mastery as to form the ways of communication in order to let other souls enter and form so many citadels in order to be able to form a Kingdom. The first will be the model of the others...”
