

Hiddenness in the Divine Will

June 12

Chapter Two The Sacraments of Healing

1420 *Through the sacraments of Christian initiation, man receives the new life of Christ. Now we carry this life "in earthen vessels," and it remains "hidden with Christ in God."*¹

Matthew 13:34

The kingdom of heaven is like unto a treasure hidden in a field. Which a man having found, hid it, and for joy thereof goeth, and selleth all that he hath, and buyeth that field.

From the Book of Heaven

V7 – Oct. 18, 1906 - *"My daughter, the works which I like the most are the hidden works because, free from any human spirit, they contain such preciousness within themselves, that I keep them as the choicest inside My Heart; so much so, that in comparing a thousand external and public works with one internal and hidden*

work, the one thousand external ones remain below the single internal work, because in the external works the human spirit always takes its part."

V12 - Aug. 14, 1917 - *"...This soul is firm, not subject to inconstancies or voluntary defects. She is attentive to her duties; she is the most sacrificed and detached from everyone and everything, even from spiritual directions themselves; and since her roots are deep, she rises up so high that the flowers and fruits bloom in Heaven. She is so hidden in God that the earth sees little or nothing of this soul. The Divine Will keeps her absorbed within Itself; only Jesus is the author, the life, the form of the sanctity of this enviable creature. She has nothing of her own, but everything is in common with Jesus. Her passion is the Divine Will; her characteristic is the Will of her Jesus, and 'FIAT' is her continuous motto..."*

V12 - Dec. 10, 1918 - *"My daughter, how sweet and pleasing to Me, is the prayer of the souls who are intimate with Me! How I feel My hidden Life of Nazareth being repeated - with no outward appearance, without any circle of people, with no sound of bells; completely neglected and alone, to the extent that I was barely known. I kept rising between Heaven and earth, asking for souls - not even a breath or a heartbeat escaped Me, which did not ask for souls. And as I did this, My blast resounded in Heaven, and drew the Love of the Father to give Me souls. This same sound, reverberating in hearts, cried out in a sonorous voice: 'Souls!' How many wonders did I not work during My hidden Life, known only to My Father in Heaven and to My Mother on earth!*

The same for the hidden soul, who is intimate with Me: as she prays, though no sound is heard on earth, her prayers, like bells, resound more vibrantly in Heaven, to the extent of calling the whole of Heaven to unite Itself with her, and to let mercy descend upon the earth, which resounding not to the hearing but to the hearts of creatures, may dispose them to convert."

V16 - Aug. 20, 1923 - *"...And then, there is the example of My Mama, true Sanctity of living in My Will, with her interior all eclipsed in the Eternal Sun of the Supreme Volition. Having to be the Queen of the Sanctity of the Saints, and Mother and Bearer of My Life to all, and therefore of all goods, she remained as though hidden in all, bringing good without making herself recognized. More than a silent Sun, she brought Light without speech, Fire without clamor, Good without exposing herself. There was no good which did not come from Her; there was no miracle*

which was not unleashed from Her. By living in My Will, she lived hidden within all, and she was and is the origin of the goods of all.

She was so enraptured in God, so fixed and ordered in the Divine Will, that all her interior swam in the sea of the Eternal Volition. She was aware of all the interior of all creatures, and she placed her own in order to reorder them before God. It was exactly the interior of man, more than the outside, to be in greater need of being re-done and reordered; and so, having to do the major part, it seemed that she did the minor, while she was the origin of both external and interior good. Yet, apparently it seemed that she did not do great or amazing works. More than Sun, She went unobserved and hidden in the cloud of Light of the Divine Will, so much so, that the very Saints gave of themselves, doing apparently more amazing things that My own Mama did. Yet, what are the greatest Saints before My Celestial Mama? They are just little stars compared to the great Sun; and if they are illuminated, it is because of the Sun..."

V17 - Aug. 9, 1924 - *"...The working of the soul in My Will is like the swimming and the darting of the fish in the terrestrial sea; and the soul does it in the celestial sea of the Supreme Volition. These souls are the hidden inhabitants of the celestial waves, who live for the immense honor and for the merit of the infinite sea of My Will. And just as the fish are hidden, vanished within the sea, mute, yet forming the glory of the sea and serving as food for man, so do these souls seem to be vanished within the Divine sea - mute; yet, they form the greatest glory of Creation, and are the primary cause for My letting descend upon earth the delicious food of My Will and of My grace..."*

V17 - June 25, 1925 - *Oh, how happy I felt, all hidden and covered, in Jesus and by Jesus! I could see nothing but Jesus - everything had disappeared from me. The joys, the happiness of His adorable presence had all returned, as if by magic, to live again in My poor heart. Pain had been banished from me, nor did I remember His privation any longer, which had cost me mortal pains. Oh, how easy it is to forget everything, while being with Jesus! Now, after He kept me all covered and hidden in Him for some time, to the point that I thought He would never again leave me, I heard Him call the Angels and the Saints, to come and see what Jesus was doing with me, and the way He kept me covered inside His Adorable Person.*

V34 - Aug. 23, 1936 - *“...In sum, My Divine Will must find as many Jesuses for however many creatures want to Live of My Will. And then It will not find Itself hindered on their part anymore, because I will have them hidden in Me, and It will have more to do with Me than with them. And the creatures will find all the necessary, Superabundant Helps in order to Live of My Will...”*

V36 - Jul. 18, 1938 - *“...Only then are We Truly Loved and Glorified: when the creature animated by Our Will, flows into that act of light, Loving and Glorifying Us with the Love and Glory of light. So We feel Our Purpose—the Reason for which We Created light—when We find the creature hidden inside that light, Loving Us with the Fullness of the light and heat. We find in her Love that wounds Us, Love that sweetens Us, Love that says, always, ‘Love.’*
