## **Article 2 GRACE AND JUSTIFICATION**

### **I. Justification**

**1995** *The Holy Spirit is the master of the interior life. By giving birth to the "inner man,"<sup>44</sup> justification entails the sanctification of his whole being:*

### **II. "Body and Soul but Truly One"**

**368** *The spiritual tradition of the Church also emphasizes the heart, in the biblical sense of the depths of one's being, where the person decides for or against God.<sup>239</sup>*

### **Lamentations 3:58**

*Res. Thou hast judged, O Lord, the cause of my soul, thou the Redeemer of my life.*

**FROM THE BOOK OF HEAVEN**

**V18 - Dec. 6, 1925** - "My daughter, the true living in the Supreme Will is precisely this: I must find everything and everyone in the depth of the soul; everything that My Will has issued in Creation for the good of creatures must be bound in the soul with her love. By living in My Will and by her requital of love, she is already bound to and in possession of all that My Will has done and will do; and she loves as My Will loves and can love. So, given all this, by her living truly in It and having bound everything to herself, I find in the soul the starry heavens, the resplendent sun, the vastness of the seas, the prairies of flowers – I find everything in her. Therefore, is it not right that the soul, hopping from one thing to another, over all that is mine and hers, recognize it; and that playing upon all created things, she impress on each one of them her kiss and her little 'I love You' for the One who has created so many things to give them to creatures as gifts, displaying to man, by this, a variety of love for as many things as He created, and how He loves that man be happy, giving him not only what is necessary, but also the surplus?"

But this is not all. Not only must I find the whole Creation, but the true living in My Will binds everyone, and therefore I must find in the soul, as though in act, Adam holy, as he came out of My creative hands, as well as Adam guilty, humiliated and crying, so that she may bind herself to him in the state of sanctity, and taking part in his innocent and holy acts, she may give Me glory and make the whole Creation smile again; and sharing in his tears, with him she may long for that Fiat rejected, which had caused so much ruin. I must find in her the prophets, the patriarchs, the holy fathers, with all their acts. And if those longed for the Redeemer, you will long for My Supreme Fiat, as the triumph and fulfillment of their sighs. I want to find My inseparable Mama, with all Her acts, in which My Will operated so many portents, having full dominion. I want to find all of Myself and all My acts. In sum, I want to find all My things, all that belongs to Me, all that My Supreme Will has done and will do, because these are all things which are inseparable from Me, and it is just and necessary that they become inseparable from one who lives in My Will..."
