From the Book of Heaven

V22 – June 1, 1927 - *“This is why She (the Sovereign Queen) only made the great miracle that enclosed all miracles—Redemption—wanted by the same Will by which She was animated, that brought universal good, and to whoever wants it. While in life She made no visible miracle, either of healings or of raising the dead, the great Celestial Mother made, and does make, miracles at each moment, at every hour and every day, because as souls dispose themselves and repent, giving, Herself, the disposition for repentance, She bilocates Her Jesus, the fruit of Her womb, and gives Him as whole to each one, as confirmation of Her great miracle, that God wanted this Celestial Creature to make. The miracles that God Himself wants to be made, without mixing of human will, are perennial miracles, because they start from the Divine fount that is never exhausted, and it is enough to want them in order to receive them.*
