

# Balanced Love in the Divine Will

August 31

**Job 31:6**

*Let him weigh me in a just balance, and let God know my simplicity.*

**Ecclesiasticus 42:25 [Knox Bible]**

*All things he has made in pairs, balanced against one another; never a fault of symmetry;*

***From the Book of Heaven***

**V20 - Dec. 27, 1926** - *“In addition to this, My Will maintains perfect balance in the whole Creation. It maintains the balance of love, of goodness, of mercy, of fortitude, of power and even of justice. Therefore, when you hear of chastisements and of troubles, it is nothing other than the effect of My balanced Will that, as much as It loves the creature, is not subject to becoming unbalanced; otherwise It would be defective and weak, if It lost Its balance. Indeed, all the order and the sanctity of It is here: in Its perfect balance—always the same, without ever changing.*

*“Now, My daughter, firstborn of My Will, listen to something beautiful about My Supreme Fiat. With the soul who lives in It and allows It to reign in order to let It form Its Kingdom, My Will, bilocating Itself, transfers Its perfect balance into her. So, the soul feels balanced in love, in goodness, in mercy, in fortitude, power and justice. And since Creation is extremely vast, in which My Volition exercises Its distinct act of balance in each thing, as the soul possesses this balance, My Will elevates her and expands her so much, as to make her find in all of her acts the balance of both one and the other, unifying them, and rendering them inseparable.*

*“So, the creature finds herself in the sun, to do the balanced acts that My Will does in it; she finds herself in the sea, in the heavens, in the little flower that blooms, to give off its fragrance together with it; in the little bird that sings, to cheer the whole Creation with the balance of joy. She finds herself in the fury of the wind, of the water, of the storms, for the balance of justice. In sum, My Will cannot be without this creature; they are inseparable, and they live life together. And do you think it is trivial that the soul can say: ‘I am stretched within the heavens, to preserve them for the good of my brothers. I am present in the sun, to germinate, to fecundate, to give light, and to prepare the food for all mankind,’ and so with all the rest?*

*Who can ever say: ‘I love my God as He loves Himself, and I love everyone, and I do all the good that my Creator does to the whole human family’? Only one who receives this balance of the Divine Fiat and allows It to reign within herself.”*
