Our duty toward God is to believe in him and to bear witness to him.

Ecclesiasticus 34:22 [Knox Bible]

*For those who wait upon him in loyal duty, the Lord alone is God. **

Psalms 118:30 [Knox Bible]

Duty's path my choice, I keep thy bidding ever in remembrance.

1 Timothy 2:3 [Knox Bible]

Such prayer is our duty, it is what God, our Saviour, expects of us,

From the Book of Heaven

V18 – August 9, 1925 – “...My daughter, You Must Know that this way of praying – that is, to requite God in love for all the things created by Him – is a divine right, and it enters the first duty of the creature. The Creation was made for love of man;...

...So, given all this – that in all created things God bound His love toward each creature – hers was the duty to requite God with her little love, with her gratitude, with her ‘thank You’ to the One who had done so much for her. Not requiting God in love for everything He has done for man in Creation, is the first fraud that the creature makes against God; it is to usurp His gifts without even recognizing where they come from, and the One who has loved her so much. Therefore, this is the first duty of the creature, and this duty is so indispensable and important, that She who took to heart all Our glory, Our defense, Our interest, did nothing but go around through all the spheres, from the smallest to the greatest thing created by God, in order to impress Her requital of love, of glory, of thanksgiving, for all and in the name of all human generations. Ah! yes, it was precisely My Celestial Mama who filled Heaven and earth with the requital for everything that God had done in Creation. After Her came My Humanity, which fulfilled this Duty so Sacrosanct, in which the creature had so very much failed, and rendered My Celestial Father benevolent toward guilty man. So, these were My prayers, and those of My inseparable Mama. Don’t you want, then, to repeat My very prayers?...”

V33 – March 10, 1935 - “My daughter, the creature was Created by Us all in order to Us, therefore it is her Sacrosanct Duty that in every act that she does, to call He who has Created her in order to give Him the Dominion and Royal Place in her act that by Right belongs to Him, and so that the act of the creature would receive the honor that in her act she possesses a Strength, a Light, a Divine Act. It is Our Will that she must be completely filled with the Divine Being, and if she does not do this, she denies to Us one of Our Rights, she places Us outside of her acts, and her acts remain human acts, emptied of Divine Strength and Light, with a darkness so dense, that her intelligence sees so many black shadows, that gropingly she makes some step—just suffering for who can turn on the light and does not turn it on, for

who can call the strength and does not call it, and who while she makes use of the Act and of the Conservative and Acting Work of God, she places it outside of her act...

...“On the other hand, if they would have done it on earth by calling Our Life in their acts, every act would be one greater Glory, one additional Beauty, Sealed by the Works of her Creator.

V33 – June 10, 1935 - *“My daughter, the First Duty of the creature is to adore He who has Created her. The first act that says sanctity is duty; duty calls the order, and order makes arise the most Beautiful Harmony between the Creator and the creature: harmony of will, harmony of Love, of ways, and of imitation. Duty is the substance of sanctity, and since all created things possess and hold as naturally the Imprint of True Adoration, so the creature united with them can lend the most Perfect Adoration to He who has created her. Therefore, every created thing is one Profound Adoration that they send to He who has Created them. And the creature, uniting herself to them in virtue of Our Volition, places them all in Adoration, giving to God the duty of each one. And elevating herself over everyone, she brings everything to Us, and comes to beat in Our Heartbeat and to breathe in Our Breath.*

“O! how sweet and welcome is this heartbeat and breath in Ours. And We, in order to exchange her, We beat in her heart and We breathe in her breath, giving her the Divine Heartbeat and Breath as Life, heritage, and growth of Our Supreme Being in her. And here to the Duty of Adoration rises the First Duty of the act of the creature: to give Life to her Creator in her own soul, to give Him the Dominion, the Freedom, to form Himself, to palpitate and breathe, to fill her with Love, in order to be able to say with deeds: ‘This creature is the Bearer of her Creator, and she lets Me do what I want.’ This is so true that I possess her heartbeat, she has nothing of hers; what is hers is Mine, and what is Mine is hers. I have My Place of Love in her, and she has her place of honor in Me such that Heaven and earth give each other the kiss of Peace and of Permanent Union.”
