

Those Who Live in the Divine Will shall Possess an Abundance of Goods

August 8

IV. Christian Holiness (CCC)

Thus the holiness of the People of God will grow in fruitful abundance, as is clearly shown in the history of the Church through the lives of so many saints.⁶⁷

Psalms 36:11

But the meek shall inherit the land, and shall delight in abundance of peace.

Proverbs 3:9-10

*[9] Honour the Lord with thy substance, and give him of the first of all thy fruits:
[10] And thy barns shall be filled with abundance, and thy presses shall run over with wine.*

Mark 13:28

Now of the fig tree learn ye a parable. When the branch thereof is now tender, and the leaves are come forth, you know that summer is very near.

From the Book of Heaven

V20 – Sept. 17, 1926 - *“In fact, without My Will dominating, there can be neither growth nor beauty, nor happiness, nor order, nor harmony. Since My Will is origin, master and beginning of the whole work of Creation, wherever It reigns, It has the virtue of preserving Its work beautiful, just as It issued it; but where It does not exist, the communication of Its vital humors in order to preserve the work that came out of Our hands, is missing. Do you see, then, what great evil it was for man to withdraw from My Will?”*

“So, all things, even the smallest ones, have their place. It can be said that they are in their home, secure, and no one can touch them. They possess abundance of goods, because that Will that flows in them possesses the source of all goods; they are all in the order, the harmony, and the peace of all...”

V20 – Jan. 28, 1927 - *“...In fact, having been created by a Being who is happy and immensely rich, and whose riches never decrease by giving them, all created things carry the mark of happiness and the abundance of goods of their Creator.*

“Just as all created things, so will all the children of the Kingdom of the Supreme Fiat have their place of honor, of decorum and of dominion; and while possessing the order of heaven and, more than celestial spheres, being in perfect harmony among themselves, the abundance of goods that each one will possess will be such and so great, that one will never have need of the other—each one will have within himself the source of the goods of his Creator and of His perennial happiness...”

“...In fact, wherever My Divine Will reigns, there is no fear that natural means and abundance of goods might do harm; on the contrary, the more means she has and the more abundance she enjoys, the more she looks at the power, the goodness, the richness of the Supreme Fiat in them, and she converts everything into most pure gold of Divine Will...”
