IV. The Spirit of Christ in the Fullness of Time (CCC)

“Rejoice, you who are full of grace” 721 Mary, the all-holy ever-virgin Mother of God, is the masterwork of the mission of the Son and the Spirit in the fullness of time. For the first time in the plan of salvation and because his Spirit had prepared her, the Father found the dwelling place where his Son and his Spirit could dwell among men. In this sense the Church’s Tradition has often read the most beautiful texts on wisdom in relation to Mary.¹⁰¹ Mary is acclaimed and represented in the liturgy as the “Seat of Wisdom.” In her, the “wonders of God” that the Spirit was to fulfill in Christ and the Church began to be manifested:

Psalms 76:15

Thou art the God that dost wonders. Thou hast made thy power known among the nations:

Psalms 77:4

They have not been hidden from their children, in another generation. Declaring the praises of the Lord, and his powers, and his wonders which he hath done.

From the Book of Heaven

V35 - Dec. 8, 1937 - *Today, while swimming in the Divine Volition, my poor mind found in action the Conception of the Queen of Heaven. O, what Wonders! What Surprises! They just can't be described! And I was thinking to myself: "What else can be said about the Immaculate Conception after so much has been said already?"*

My adorable Jesus, surprising me, all festive as if He wanted to celebrate the Conception of the Celestial Queen, said: "My blessed daughter—O, how many more things I have to say about the Conception of this Celestial Creature! It was a Life that We were Creating not a work. There is a great difference between a work and a life. Further, it was a Life both Divine and human, in which there had be Perfect harmony of Sanctity, Love and Power, such that one Life had to be able to match with the other. The Wonders we made in Creating this Life were such that we had to perform the Greatest Prodigy—a chain of miracles—so that this Life could contain all the Good that we deposited within Her.

This Holy Creature, Conceived without original sin, felt the Life of her Creator—His Operating Will, that did nothing less than make New Seas of Love arise. O, how much She Loved Us! She could feel Us inside and outside of Herself. O, how She ran, in order to be everywhere and in every place—wherever the Life of Her Creator was! It would have been the hardest and most cruel martyrdom for Her, not to have been able to be everywhere together with Us, to Love Us. Our Will gave Her wings, and Our Life, while still being within Her, made Itself found everywhere, to be Loved and to enjoy the One It Loved so much, and who Loved It in return. Now, listen to another surprise. As soon as She was Conceived, She started her Race, and We Loved Her with Infinite Love—not Loving Her would have been the Greatest Martyrdom for Us, too.

"So, as She ran outside to search for Our Life which She already possessed within Herself—since a Good is never Complete if it is not possessed both inside and outside—She remained Conceived in Heaven, and in the Celestial Spheres whose stars formed Her Crown, praising and declaiming Her as their Queen; and she acquired the Rights as Queen over all the Celestial Spheres. Our Immensity awaited Her in the sun—and She ran, and was Conceived in the sun that, becoming diadem for Her adorable Head, Invested Her with Light and praised Her as Queen

of Light. Our Immensity and Power awaited Her also in the wind, in the air, in the sea—and She ran, and ran... without ever stopping. So, She remained Conceived in the wind, in the air and in the sea, acquiring the Rights as Queen over all.

“The Sovereign Lady makes Her Power, Her Love and Her Maternity flow in the Heaven, in the sun, in the wind, in the sea, and even in the air that everybody breathes. She was Conceived everywhere—in every place and in everyone. Wherever Our Power was, She would raise Her Throne to Love Us and to Love everyone. This was the Greatest Miracle performed by Our Powerful Love: to Bilocate Her—to multiply Her in all things and in all created beings—so that We might find Her everywhere and in everyone.

“The Celestial Queen is like the sun. Even if someone doesn’t want the light of the sun, this light imposes itself anyway, and says: ‘Whether you want me or not, I must do my course. I must give you light.’ But if someone could hide from the light of the sun, nobody can hide from the Sovereign Lady; otherwise, She could not, in fact, be called Universal Queen and Mother of everyone and everything—and We do not know how to speak Words without making Facts.

“Do you see then, the extent of Our Power and Our Love in the Conception of this Holy Creature? We reached the point of elevating Her to such a Height and Glory that she can say: ‘Wherever My Creator is, there I am—to Love Him. He Invested Me with such Power and Glory that I am Sovereign over all. Everything is dependent on Me. My Dominion reaches everywhere, to the extent that, while I am Conceived in all things I keep, Conceived within Me, the sun, the wind, the sea—everything. I possess everything in Me—even My Creator, and I am the Sovereign and the Owner of all. This is all of My Unreachable Height; My Glory—that nobody can equal, and My Great Honor: with My Love I embrace all, I Love all, and I belong to all. I am the Mother of My Creator.’”

V31 – Sept. 8, 1932 - *“Blessed daughter of My Will, the Birth of My Celestial Mama encloses all Wonders, all Prodigies united together—but do you know why? She was not only born Pure, Holy, Beautiful, Immaculate, no, no, but My Divine Will was born together with the Celestial Little Baby Girl. It was already Conceived and enclosed in Her in order to form Its Operating and Growing Life in the Gracious Little Baby Girl. My Will enclosed Itself in order to be born together with Her, to make use of the organ of this Celestial Creature in order to Operate and form Its Divine Life.*

“This was a Prodigy that only the Eternal Love, the Divine Wisdom and Power, could work. It was not only Life that was given to Her, nor only the Gift of being free from original sin—this would have been nothing for Our Power. What was amazing and called the attention of everyone, was My Will that was Born together with Her into the world, so much so that the Heavens and earth remained shaken by it, placed themselves at attention, and felt a Mysterious Strength, that same Strength that Dominated and Conserved the whole of Creation. It was Our very Will that moved everything, and placed Itself and the whole of Creation at the service and disposition of this Newborn Baby Girl.

“So this Birth of My Will together with Her was the Origin that called all the other Prodigies to Centralize them in Her. Where My Fiat Reigns there is no Good that It does not enclose, nor Prodigy that It does not complete. It wants to display Its Love and Power by forming Its Operating Life, and placing of Its Own for however much it is possible for a creature to contain. Therefore, admire and thank Our Supreme Being that arrives at so much Love toward this Newborn Baby Girl as to let Our Unborn Will, that has neither beginning, nor end, nor limits in Its confines, be born in Her.”

FIAT!
