

Everything was Deposited in the Celestial Mother

Gospel Reading for December 12, 2016

With Divine Will Truths

Saint Luke 1:39-45

Mary set out in those days and traveled to the hill country in haste to a town of Judah, where she entered the house of Zechariah and greeted Elizabeth. When Elizabeth heard Mary's greeting, the infant leaped in her womb, and Elizabeth, filled with the holy Spirit, cried out in a loud voice and said, "Most blessed are you among women, and blessed is the fruit of your womb. And how does this happen to me, that the mother of my Lord should come to me? For at the moment the sound of your greeting reached my ears, the infant in my womb leaped for joy. Blessed are you who believed that what was spoken to you by the Lord would be fulfilled."

II. Devotion to the Blessed Virgin (CCC)

971 *"All generations will call me blessed": "The Church's devotion to the Blessed Virgin is intrinsic to Christian worship."515 The Church rightly honors "the Blessed Virgin with special devotion. From the most ancient times the Blessed Virgin has been honored with the title of 'Mother of God,' to whose protection the faithful fly in all their dangers and needs. . . . "*

From the Book of Heaven

V35 – Feb. 14, 1938 - *"My daughter, it was Just that everything was deposited in this Celestial Mother so that, having to possess the Reign of Our Will, She might be entrusted with everything. She is the only One who has sufficient space to be able to possess those seas Created by Us. With Its Creative and Preserving Power, Our Will maintains whatever It Creates intact, without ever lessening, in spite of Our continuous Giving. Therefore, where Our Will is not present We cannot give, or entrust, or deposit—We just do not find the space. Our Love remains hampered, to perform the many Beautiful Works We want to do in the creatures. Only in this Sovereign Lady did Our Love not find any obstruction, and It displayed so much and did so many Wonders, that It gave Her Divine Fecundity and made of Her the Mother of Her Creator."*

So, my beloved Jesus showed me all the Acts that He did together with His Celestial Mother, and while They were Operating, the seas of Love from both of

Them became one and, raising their waves up to Heaven, invested everything, “even Our Divinity [shift to direct speech from Jesus]; forming a thick rain of Love upon Our Divine Being, they carried the Love of everyone—the refreshment and balm by which Our Divine Being remained soothed—turning Justice into motion of Love for the creatures. One can say that Our Love Regenerated the human family with New Love, and God Loved it with Doubled Love—but where? In the Queen and in Her dear Son.

“Now, listen to another surprise. When I, as a little Baby, was suckling the milk from My Mama, I suckled the souls, because She kept them in deposit, and in giving Me Her milk She deposited all souls within Me; she wanted Me to Love them, kiss them all, and make of them My Victory and Her Own. Not only this—in giving Me milk She also made Me suckle her Maternity and Tenderness, imposing Herself on Me so that I Loved the souls with Maternal and Paternal Love. I received Her Maternity and Her Unspeakable Tenderness within Me, so I Loved the souls with Divine, Maternal and Paternal Love.

“After She deposited all the souls within Me, with one of My Stratagems of Love—with a breath, with a sweet gaze—I redeposited them again in Her Maternal Heart, and to repay Her I gave Her My Paternal Love—My Divine Love which is unceasing, firm, unshakable and never moves. Human love changes easily, so I wanted My inseparable Mother to have the same attributes of My Love, and to Love souls the way only a God can Love. Therefore, every single Act We did, from the tiniest to the greatest, was an exchange of deposit of souls—I in Her, She in Me. Even more, I can say that We duplicated this deposit of souls, because I kept inside My Divine Heart, with highest Jealousy, all that I received from My dear Mama, as the greatest Gift She could give to Me. And She received My Gift so jealously that She used all her Maternity to keep that Gift which Her Son was giving to Her. Now, in these exchanges of deposit, Our Love grew and Loved all creatures with New Love. We formed projects on how to Love them more and how to win them all, through Love, exposing Our Life to rescue them.”
