Gospel Reading for April 26, 2017
With Divine Will Truths
John 3:16-21

Jesus said to Nicodemus: 'God Loved the world so much that He gave His only Son, so that everyone who believes in Him may not be lost but may have Eternal Life. For God sent His Son into the world not to condemn the world, but so that through Him the world might be saved. No one who believes in Him will be condemned; but whoever refuses to believe is condemned already, because he has refused to believe in the Name of God's only Son.

On these grounds is sentence pronounced: that though the Light has come into the world men have shown they prefer darkness to the Light because their deeds were evil. And indeed, everybody who does wrong hates the Light and avoids it, for fear his actions should be exposed; but the man who Lives by the Truth comes out into the Light, so that it may be plainly seen that what he does is done in God.'

I. Living in the Truth

2465 *The Old Testament attests that God is the source of all Truth. His Word is Truth. His Law is Truth. His "faithfulness endures to all generations."²⁵⁵ Since God is "True," the members of His people are called to Live in the Truth.²⁵⁶*

2466 *In Jesus Christ, the Whole of God's Truth has been made Manifest. "Full of Grace and Truth," He came as the "Light of the world," He is the Truth.²⁵⁷ "Whoever believes in Me may not remain in darkness."*

From the Book of Heaven

V2 – Aug. 18, 1899 - *"My Word is not only Truth, but also Light, and when a Light enters a dark room – what does it do? It dispels the darkness, and makes one distinguish the objects that are in it, whether they are ugly or beautiful, whether there is order or disorder; and from the way that room is found, one judges the person that occupies it. Now, the human life is the dark room, and when the Light of Truth Enters a soul, it dispels the darkness – that is, it makes her distinguish what is True from what is false, the temporal from the Eternal, in such a way that she casts vices away from herself and places the order of Virtues within her. In fact, since My Light is Holy - it is My very Divinity - it cannot Communicate anything but Sanctity and Order, and so the soul feels Light of Patience, of Humility, of Charity and the like come out of herself. If My Word Produces these Signs in you, why fear?"*

V3 – Feb. 12, 1900 - *“The Truth is Light, which the Word brought upon earth. Just as the sun illuminates, vivifies and fecundates the earth, so does the Light of Truth give life and Light, and it renders souls fecund with virtues. Even though many clouds obfuscate this Light of Truth, which are the iniquities of men, in spite of this, it does not cease to send forth glimmers of vivifying Light from behind the clouds, so as to warm souls. And if these clouds are clouds of imperfection and of involuntary defects, this Light, piercing them with Its Heat, makes them vanish and it penetrates freely into the soul.”*

I understood that the soul must be attentive not to fall even into a shade of voluntary defects, which are those dangerous clouds that prevent the Entrance of Divine Light.

V8 – Sept. 3, 1908 - *As I was in my usual state, blessed Jesus made Himself seen all Light, and said these simple words: “I AM Light - but what is Light made of? What is the principle of it? It is Truth. So, I AM Light because I AM Truth. Therefore, in order for the soul to be Light and to have Light in all of her actions, these must come from Truth. Wherever there is artifice, deception and duplicity, there cannot be Light - but darkness.” And He disappeared like a flash.*

V13 – Nov. 19, 1921 - *“My daughter, in order to know the Truths, it is Necessary to have the will, the desire to know them. Imagine a room in which the shutters are closed: no matter how much sun there may be outside, the room remains always in the dark. Now, opening the shutters means wanting light. But this is not enough, if one does not take advantage of the light to reorder the room, dust it, and put himself to work, so as to not kill the light which is given, and become ungrateful. In the same way, it is not enough to have the will to Know the Truths if, at the Light of the Truth which Illuminates, one does not try to dust himself of his own weaknesses, reorder himself according to the Light of the Truth he Knows, and put himself to work together with the Light of Truth, making of It his own substance, in such a way that the Light of the Truth which he has absorbed may Shine through his mouth, through his hands, through his bearing. It would be as if he killed the Truth; and by not putting it into practice, it would be like remaining in total disorder before the Light. Poor room full of Light, but all messed up, upside down, in total disorder, with a person in it who does not take the care of reordering it - how pitiful would it not be? Such is one who Knows the Truths, and does not put them into practice.*

However, know that Simplicity Enters into all Truths as the First Nourishment. If the Truths were not Simple, they would not be Light, and they could not Penetrate into human minds to Enlighten them; and where there is no Light, objects cannot be distinguished. Simplicity is not only Light, but it is like the air that one breathes which, though it cannot be seen, gives respiration to all; and if it wasn't for the air, the earth and everyone would remain without motion. Therefore, if the Virtues, the Truths, do not carry the Mark of Simplicity, they will be without Light and without Air."

V14 – Mar. 7, 1922 - *"My daughter, My Words are full of Truth and of Light, and they carry with them the Virtue of Transforming the soul into Truth Itself, into Light Itself, and into the very Good which they contain, in such a way that the soul does not only know the Truth, but she feels within her the substance of operating according to the Truth which she has known. Further, My Truths are full of Beauty and Attraction, in such a way that the soul, taken by their Beauty, lets herself be Enraptured by them.*

V25 – Nov. 4, 1928 - *"My daughter, for as many Truths as I have Manifested to you about My Divine Will, so many Lights have unleashed themselves from Our Divine womb and have fixed themselves in you, but without detaching from the Center of your Creator. In fact, the Light is Inseparable from God; it Communicates Itself, It fixes Itself in the creature, and it never loses Its Center, from which It came out.*

"How Beautiful it is to see the creature, with all these Lights Fixed in her, that have the Virtue of making He Who Created her Arise again in the creature—and so many times, for as many Truths as are Manifested to her. And since what I have Manifested to you on My Divine Will are Innumerable Truths—so many, that you yourself cannot count them all—many Lights, that is, many Luminous Rays, are Fixed in you, that Descend from God, but without detaching from Its Divine Womb. These Lights form the most Beautiful Ornament in you, and the greatest Gift you could receive from God.

"In fact, since these Truths are fixed in you, they give you right over the Divine properties—and so many rights, for as many Truths as I have Manifested to you. You cannot comprehend the great Dowry you have been Endowed with by God with these Truths, that, like many Lights, are Fixed in your soul. The Whole of Heaven is amazed at seeing so many Lights in you, all Pregnant with many Divine Lives. And as you Communicate them to other creatures, this Light Winds Its Way,

It Fixes Itself in other hearts, but without leaving you, and forms the Divine Life wherever it reaches.

“My daughter, what great Treasure has been Entrusted to you Luisa with so many Truths I have told you on My Divine Will; a treasure that has its source in Its Divine womb, and that will always give Light without ever ceasing. My Truths are more than sun, that gives light to the earth, invests it, fixes on it; and in fixing on it, it gives birth, on the face of it and for each thing, to the effects and the goods that its light contains. But, jealous, it does not detach its light from its center; and this is so true that, as it moves on to illuminate other regions, the earth remains in the dark.

“On the other hand, the Sun of My Truths, while it does not detach from its center, fixing itself in the soul, Forms in her the Perennial day....”
