

FEAST OF THE ASSUMPTION OF THE BLESSED VIRGIN MARY INTO HEAVEN

August 15

*“My daughter, the True Name of this Feast should be Feast of the
Divine Will...” - Jesus to the Servant of God, Luisa Piccarreta*

From the Book of Heaven

V18 - 8.15.25 - After this, I began to think about the feast of my Celestial Mama Assumed into Heaven; and my sweet Jesus, with a tender and moving tone, added: **“My daughter, the true name of this Feast should be Feast of the Divine Will.** It was the human will that closed Heaven, broke the bonds with its Creator, made miseries and sorrow enter the field, and put an end to the feast that the creature was to enjoy in Heaven. Now, this creature, Queen of all, by doing the Will of the Eternal One always and in everything – even more, it can be said that Her life was Divine Will alone – opened the Heavens, bound Herself to the Eternal One, and restored in Heaven the feasts with the creature. Every act She did in the Supreme Will was a feast that She started in Heaven, it was suns that She formed to adorn this feast, it was melodies that She sent to delight the Celestial Jerusalem. So, the true cause

of this feast is the Eternal Will operating and fulfilled in my Celestial Mama. It operated such prodigies in Her as to astonish Heaven and earth, chain the Eternal One with indissoluble bonds of love, and capture the Word even into Her womb. The very Angels, enraptured, repeated among themselves: 'From where comes so much glory, so much honor, such greatness and prodigies never before seen, in this excelling Creature? Yet, it is from the exile that She is coming.' Astonished, they recognized the Will of their Creator as Life operating in Her; and, trembling, they said: 'Holy, Holy, Holy - honor and glory to the Will of Our Sovereign Lord. And glory, and trice Holy - She who let this Supreme Will operate.'

So, it is my Will that, more than anything, was and is celebrated on the day of the Assumption into Heaven of my Most Holy Mother. It was my Will alone that made Her ascend so high as to distinguish Her among all. Everything else would have been as nothing, had She not possessed the prodigy of my Will. It was my Will that gave Her Divine Fecundity and made Her the Mother of the Word. It was my Will that made Her see and embrace all creatures together, becoming the Mother of all, and loving all with a love of Divine Maternity. And making Her the Queen of all, It made Her rule and dominate. On that day, my Will received the first honors, the glory and the abundant fruit of Its work in Creation, and It began Its feast, which It never interrupts, for the glorification of Its operating in my beloved Mother. And even though Heaven was opened by Me, and many Saints were already in possession of the Celestial Fatherland when the Celestial Queen was assumed into Heaven, however, She Herself was the primary cause, having fulfilled the Supreme Will in everything, and therefore we waited for She who had honored It so much and contained the true prodigy of the Most Holy Will, to make the first feast for the Supreme Volition. Oh! how the whole of Heaven magnified, blessed and praised the Eternal Will, upon seeing this sublime Queen enter the Empyreum, in the midst of the Celestial Court, all circumfused by the Eternal Sun of the Supreme Volition! They saw Her all studded with the power of the Supreme Fiat; there had been not even a heartbeat in Her which did not have this Fiat impressed on it. And, astonished, they looked at Her and said to Her: 'Ascend, ascend higher. It is right that She who so much honored the Supreme Fiat, and through whom we find ourselves in the Celestial Fatherland, have the highest throne and be our Queen.' And the greatest honor that my Mama received, was to see the Divine Will glorified."

V24 - 8.15.28 -After this, I was thinking about and accompanying the Sovereign Queen when She was assumed into Heaven; and my sweet Jesus, moving in my interior, as though singing the praises of His Celestial Mother, told me: "My daughter, the glory of the Mama of Heaven is insuperable. No one else in the Celestial Regions possesses seas of graces, of light, seas of beauty and of sanctity, seas of power, of science and of love; and what is more, She possesses these seas within the endless Sea of Her Creator.

"The other inhabitants of the Blessed Fatherland possess, at most, some, little rivulets, some, little drops, some, little fountains. She is the only one, because She alone lived life in the Divine Fiat. Never did the human volition take place in Her—Her life was all of Divine

Will; and by virtue of It, She centralized all creatures within Herself, conceiving them in Her maternal Heart, and bilocating Her Son Jesus as many times, to give Him to each creature whom She had conceived within Her virginal Heart. This is why Her Maternity is extended to all, and all can boast and say: 'The Mother of Jesus is my Mother, and this Mother so sweet, lovable, loving, gives Her Beloved Son to each one of us as pledge of Her maternal love.' Only My Will could give Her this virtue of conceiving all creatures as Her children, and of multiplying Her Jesus so many times for as many children as She had.

"Now, in Heaven, the height of the Sovereign Mother, possessing Her seas, does nothing but raise highest waves of light, of sanctity, of love, etc., unloading them over the throne of the Supreme Being who, so as not to be surpassed by Her love, having His own Sea, more extensive and more deep, forms His own waves, higher, from beneath the seas of the Virgin Queen, and pours them upon Her. And She prepares more waves, and God yet more, in such a way that the whole of Heaven remains flooded by these waves of light, of beauties, of love and the like—so much so, that all take part in them and enjoy. And in seeing that they, that is, the Blessed, cannot form these waves because they do not possess seas, they comprehend that if their Mother and Queen possesses all this, it is because She formed Her life and sanctity in the Divine Will.

"So, in the Virgin, the Saints know what Sanctity of Divine Will in the creature means, and therefore they long for more creatures to bring these seas into the Celestial Fatherland, so as to see more waves being formed, enchanting and of greater enjoyment for them. The earth does not yet know the sanctity in My Will, and this is why I so much yearn to make It known; but It is well known to Heaven because there is Sovereign Queen who, by merely seeing Her, makes Herself revealer of the Sanctity of My Fiat. So, by virtue of It, She was portent of graces on earth for Herself and for the whole human family, and She is portent of glory in the Celestial Fatherland, nor can any other creature be said to be similar to Her."

V28 - 8.15.30 - I was thinking about my Celestial Mama in the act when She was assumed into Heaven, and was offering my little acts done in the Divine Fiat to give Her my homages, my praises for Her honor and glory.

But while I was doing this, my sweet Jesus told me: "My daughter, the glory, the greatness, the power of My Celestial Mama in Our Fatherland is insuperable. And do you know why? Her life on earth was lived inside Our Divine Sun; She never went out from within the abode of Her Creator; She knew nothing else but Our Will alone, She loved nothing else but Our interests, She asked for nothing else but Our Glory. It can be said that She formed the Sun of Her life within the Sun of Her Creator.

"So, whoever wants to find Her in the Celestial Dwelling, must come into Our Sun, where the Sovereign Queen, having formed Her Sun, spreads Her maternal rays for the good of all, and blazes with such beauty as to enrapture the whole of Heaven, all feeling twice as happy for

having a Mother so holy, and a Queen so glorious and powerful. The Virgin is the first daughter, and the only one, who possesses Her Creator; and She is the only one to have lived life in the Sun of the Supreme Being. And since She drew Her life from this Eternal Sun, it is no wonder that, having lived of light, She formed Her most refulgent Sun that gladdens the whole Celestial Court.

“This is precisely what it means to live in My Divine Will: to live of light and to form one’s life within Our own Sun. This was the purpose of Creation—to have the creatures created by Us, Our beloved children, within Our own abode; to nourish them with Our own foods, to clothe them with royal garments, and to let them enjoy Our own goods. What terrestrial father and mother think of putting out of their home the birth of their womb, their dear children, and of not giving their inheritance to their own children? No one, I believe; on the contrary, how many sacrifices do they not make in order to render their children rich and happy? If a terrestrial father and a mother reach this, much more so does the Celestial Father. He wanted and loved His children to remain in His home, so as to keep them around Himself, to delight with them and keep them as the crown of His creative hands. But man, ungrateful, abandoned Our home, refused Our goods, and contented himself with going wandering, living in the darkness of his human will.”

V36 – 8.15.38 - While my mind was swimming in the Sea of the Divine Will, I stopped at the Act in which my Mother and Queen was Assumed into Heaven. How many Wonders, how many Enrapturing Surprises of Love. And my sweet Jesus, as if He felt the need to speak about His Celestial Mother, all festive told me: “My blessed daughter, today is the Feast of Assumption. This is the Most Beautiful, the Most Sublime, the Greatest Feast, in which We remain Glorified, Loved and Honored the most! Heaven and earth are Invested with an Unusual Joy, never before felt. The Angels and the Saints feel as if Invested with New Joys and New Happiness, and they all praise with New Songs the Sovereign Queen who, in her Empire, Rules over all, giving Joy to all!

“Today is the Feast of feasts—the Unique One, the New One, which was never repeated again. Today, the Day of the Assumption, celebrated for the first time the Divine Will Operating in the Sovereign Queen and Lady; the Marvels are Enchanting in each of Her smallest Acts, even in Her breathing, in Her motion. Many of Our Divine Lives can be seen flowing in Her Act as many Kings that, more than bright suns, inundate—surround and embellish Her—making Her so Beautiful as to form the Enchantment of the Celestial Regions. Do you think it's nothing that each one of Her breaths, motions, works and Pains were filled with many of Our Divine Lives? This is exactly the Great Prodigy of My Will Operating in the creature: to form a Divine Life for each time It could enter the motion and the acts of the creature. Then, since My Fiat possesses the Virtue of Bilocation and Repetition—doing again and again without ceasing everything She does—so the Great Lady feels these Divine Lives multiplied within herself, that do nothing other than further extend Her Seas of Love, Beauty, Power and Infinite Wisdom! You must know that the Divine Lives

She possesses are so Great and so many that, upon entering Heaven, they crowded the whole Celestial Region and, being impossible to contain them, they filled the whole Creation as well. Therefore, there is no place where Her Seas of Love and Power do not flow, along with the many of Our Lives of which She is Possessor and Queen.

“We can say that She Dominates Us and that We Dominate Her. By clothing Herself with Our Immensity, Power and Love, she populated all Our Attributes with Her Acts and with the many of Our Divine Lives that She had Conquered! Therefore, from every place and everywhere, We feel Ourselves being Loved and Glorified—inside and outside of Ourselves, from within all created things, in the most remote hiding places—by this Celestial Creature and by those same Divine Lives that Our Fiat formed in Her. O! Power of Our Will, only You can do such Prodigies to make Us Loved and Glorified as We deserve and want—to the extent of Creating many of Our Lives in the one who lets You Dominate. This is why She can give Her God to all, because She possesses Him. Even more, when She sees a creature disposed to receive Our Will, without losing one of Our Divine Lives, She has the Virtue of Reproducing, from within these Divine Lives that She possesses, yet another of Our Divine Lives to give to whomever she wants.

“This Virgin Queen is a continuous Prodigy. What She did on earth, She continues in Heaven; because, when the Divine Will Operates, both in the creature and in Ourselves, her acts never end, and, while remaining in It, they can be given to all. Does the sun, perhaps, cease to give its light to the human generation because it has given too much of it? Not at all. Even if it has given much, it is always rich in its light, and does not lose a single drop of it. Therefore, the Glory of this Queen is Insuperable because She possesses Our Operating Will, that has the Virtue of forming in the creature Eternal and Infinite Acts. She Loves Us always and Unceasingly with Our Lives that She possesses. She Loves Us with Our own Love. She Loves us everywhere. Her Love fills Heaven and earth and runs to pour Itself inside Our Divine Womb. And We Love Her so much that We cannot Live without Loving Her. While, in Loving Us, She Loves all, making everyone Love Us. How could We resist and not give her anything She wants? It is Our own Will that asks for what She wants, tying Us with Its Eternal Bonds so that We can refuse her nothing. This is why the Feast of the Assumption is the Most Beautiful one: it is the Feast of My Will Operating in this Great Lady, making Her so rich and Beautiful that the Heavens cannot contain Her. Even the Angels remain speechless, and don't know how to describe what My Will does in the creature.”

After this, while my mind remained stupefied in thinking about the Great Prodigies that the Divine Fiat Worked and continues to Work in the Celestial Queen, my beloved Jesus added: “My daughter, Her Beauty is Unreachable. It enchants, it charms, it Conquers. Her Love is such that She offers Herself to all, Loving all—leaving behind her Seas of Love. She can be called Queen of Love, Winner of Love, because She Loved much, and through Love She won her God. You must know that, by doing his will, man broke the bonds with his Creator and with all created things. By the Power of Our Fiat, that She possessed, this Heavenly Queen

tied her Creator to the creatures; tied all beings together—united them—put them back in Order and with Her Love, gave New Life to the human generations. Her Love was so Great as to cover and hide, inside Its Seas, weaknesses, evils, sins—the creatures themselves. O! If this Holy Virgin did not possess so much Love, it would be difficult for Us to look at the earth. Only Her Love makes Us look at It, but We want to give Our Will to Reign in the middle of the creatures because She wants it so. She wants to give to her children what She possesses, and by Love She will Win Us and Her children.”
