

*Feast Day of St. John Paul II  
October 22*

*Be not afraid!*

*Freedom consists not in doing what we like, but in having the right to do what we ought. ~ Pope John Paul II~*

*Article 6 MORAL CONSCIENCE (CCC)*

*1782 Man has the right to act in conscience and in freedom so as personally to make moral decisions. "He must not be forced to act contrary to his conscience. Nor must he be prevented from acting according to his conscience, especially in religious matters." 53*

*From the Book of Heaven*

*V27 – Oct. 12, 1929 - "So, there is great difference between one who has received an office from Us, and one who has received no task. One who has received an*

*office, whatever she does, does by right, with freedom, because such is Our Divine Will. She represents all those who must receive the good We want to give by means of the office given to her. So, you are not the only one taking a step toward Heaven, but there are all those who will know My Divine Will; and, in descending, It descends through you into all those who will let It reign. Therefore, the only means in order to obtain the Kingdom of the Divine Fiat is to make use of Our works to obtain a good so great.”*

**V30 – Dec. 8, 1931** - *I continue my abandonment in the Divine Fiat. Its sweet Chains clasp me so tightly—but not so as to take the freedom away from me—no, no, but to render me more free in the Divine Fields, and to keep me defended from everyone and from everything. So, I feel safer, enchained by the Divine Will. And while I was doing my acts in It, I felt the need of my Celestial Mama, for Her to help me and to sustain my little acts, so that they might encounter the Divine Satisfaction and Smile.”*

**V30 – Dec. 21, 1931** - *“Now, do you want to know who brings to Us her life? Not a new thing—We have so many of them! It is one who comes to Live in Our Will. In fact, Our Will, overflowing from Us, forms for Us Our Divine Fields and Seas, filled with all possible and imaginable Happinesses; and the creature comes into them as life, and We have the Great Contentment and the Great Glory that a life of Ours can give Us. And even though this life has come out of Us, she is yet free to stay or not stay in Our Divine Fields, and she loses—she sacrifices her human freedom, and in Our Will she takes the Divine Freedom; and, as Life, she Lives in Our Fields and Seas without boundaries. And—O! how beautiful it is to see this Life making her way through the thick crowds of Our Happinesses and Joys, and casting in them her seed, her grain of wheat—image of her will that forms its ear, so high—but as the reality, and not just apparent, of the Palpitating and Operating Life in Our Celestial Field.”*

*“...it is the Operating and Conquering Lives from the earth that We long for, and for them to enter, while being on earth, into these Fields of Ours and operate and act as Conquerors in a Divine Manner. More so since, from the moment man sinned, he went out from inside Our Will, and, with Justice, the doors of these Fields of Ours were closed to him. Now We want to open these, Our doors, after so many centuries, to whoever wants to enter—not forcing them, but freely, to let Us populate these Divine Fields of Ours, so as to give a New Form, a completely New*

*Way of Life to the creature, and be able to receive from her, not works, but Life in each of her acts—Life formed in Our Own Life.*

**V30 – 1.24.32** – “...Only My Will gives the Right of Daughtership and the Freedom to take what she wants from the House of her Celestial Father. One who Lives in Our Will is like the flower that remains on the plant, and mother earth feels the duty to give to the root of the flower a place in her own house, to nourish it with her vital humors that she possesses, to keep it exposed to the rays of the sun in order to color it. And she waits for the night dew so that her flower may receive sufficient humors to withstand the ardent kisses of the sun, so that it may develop and receive the most intense and most beautiful color and fragrance. So, it can be said that mother earth is the nourishment and the life of the flower. So it is for the soul who Lives in Our Will; We must give her a place in Our House and, more than mother, nourish her, raise her and give her so much Grace for her to be able to bear and remain exposed to, from outside and from within, the ardent Light of the Immensity of Our Will.”

**V30 – Jun. 29, 1932** - “My daughter, the human will is the fount and substance of the life of the creature; from it she draws the life of her works, the thoughts of her mind, the variety and multiplicity of her words. If the human life did not have a free will, it would be a life without Fount and without Substance; so, it would lose all the beauty, the strikingness, the admirable braiding that the human life can weave.”

**V32 – Mar. 26, 1933** - This is the Sacrifice of sacrifices, the Heroism of heroisms. Does it seem little to you to feel that the life of one’s own volition would not serve oneself as if it would not have the right, to lose one’s own freedom voluntarily, so that it would serve My Will, giving It Its just Rights?”

Jesus was silent, then, as if He could read in my soul about certain doubts of mine that went through me concerning the Divine Will, He added: “My daughter, the Greatest Works done by Our Supreme Being, all have been done Gratuitously, without paying attention to if the creatures merited it or would ask Us for it. If We paid attention to this, it would have been necessary for Us to bind Our arms and not do more Works. And if the ungrateful creatures do not glorify Us, to not even have the good of making Ourselves glorified and extolled by Our own Works, ah no! no! One single Work of Ours Glorifies Us even more than all the works united

*together of all the human generations. One Complete Act of Our Will fills Heaven and earth, and with Its Virtue and Its Regenerative and Communicative Power It Regenerates for Us so much Glory that it never ends, and hardly are the little drops given to creatures to comprehend it."*

**V32 – Sept. 17, 1933** – *"...See, therefore, how everything is in the Will, and therefore by giving It to the creature We give everything. And since they are Our little Images Created by Us, Our Breaths, the little tiny flames of Love dispersed by Us in all the created, this is why We gave them a free will united to Ours, in order to form Our Likeness wanted by Us. There is nothing that Glorifies Us more, that Loves Us more, that renders Us more Content, than finding Our Life, Our Image, Our Will, in Our Work Created by Us. Therefore We entrust everything to the Power of Our Fiat in order to obtain this intent."*

*...“Now in man there was not only Work that We made, but human life and Divine Life that We Created in him. Therefore We long for, We desire, We yearn to Reproduce in him Our Life and Image. We even reach to drowning him with Love. And when he does not let himself be drowned, because he himself is free, We reach to persecuting him with Love, not letting him find peace in everything that escapes from Us. Not finding Ourselves in him, We wage Incessant War, because We want Our Beautiful Image, Our Life Reproduced in him.”*
