

There is Room for Everyone in the Kingdom of the Divine Will

V. The Spirit and the Church in the Last Days Pentecost (CCC)

732 *On that day, the Holy Trinity is fully revealed. Since that day, the Kingdom announced by Christ has been Open to those who Believe in Him: in the humility of the flesh and in faith, they already share in the Communion of the Holy Trinity...*

Proverbs 18:16 - *"A man's gift enlargeth his way, and maketh him Room before princes."*

From the Book of Heaven

V24 – 8.30.28 - *"My daughter, the Kingdom of My Will is all prepared within My Humanity, and I AM ready to put It out to give It to creatures. It can be said that I formed the Foundations, I raised the Factories; the Rooms are Innumerable and all Adorned and Illuminated—not with little lights, but with as many Suns for as many Truths as I have Manifested about the Divine Fiat. Nothing else is needed but those who would Inhabit It; there will be a Place and Room for everyone, because It is Vast, more than the whole world."*

V26 – 5.16.29 - *"Such is the State We are in; nothing is lacking to Our Work of Creation—heavens, suns, Works and Magnificence of every kind; but one point is missing—yet a Point that disfigures a Work so Beautiful. This Point is the most important; it is the most Beautiful Shade, it is the most Vivid Color that is missing in the Creation: everyone and everything Lives in My Fiat, but one Point of It—that is, the human family—is outside of It, outside of My Kingdom, and it lives unhappy. What Sorrow! There is Room for everyone in My Volition, and yet, there are some who live outside. Oh! how they disfigure It and render It incomplete. And what would We not do to see It Complete? Any Sacrifice, My daughter; We Are Willing to do anything. I have already laid down My Life in the Redemption to place this Point in the Creative Work."*

V26 – 6.4.29 - *"Just as nothing escapes My Divine Fiat, so does nothing escape one who Operates in It; and as many times as she repeats her acts, so many times does she make the Roll-Call, to be sure that no one is missing in her act, to give the New Glory, Adoration and Love to that God, Trice Holy, and to that Divine Will that, with so much Love, makes Room for her to let her Live within Itself, and allows her to extend within Its Endlessness."*

V29 – 4.4.31 - *"Moreover, You Must Know that My Divine Will is Heaven, your humanity is earth. Now, as you keep doing your acts in It, you take Heaven; and the more acts you do, the more Room you take in this Heaven of My Fiat; and while you take Heaven, My Will takes your earth, and Heaven and earth are Fused together and remain dissolved, one within the other."*

V29 – 6.8.31 - *"You Must Know that everything Good, Holy, that is done in My Divine Will is nothing other than Seeds that Germinate in the field of the soul, placing as though many Seeds*

of Divine Light, that set a beginning that will have no end. In fact, everything that is done in My Divine Will is Sown, Germinates, Grows in an Admirable Way on earth, while one is living, but the completion will be Formed in Heaven; the final development, the Variety of the Beauties, the Shades, the most Beautiful and Striking Tints, will be given to her in the Celestial Fatherland. So, each act done on earth will be like taking more Room in Heaven, one additional Right, and an advanced Possession of the Celestial Dwelling.”
