

*Luisa Transmitted into the Eternal Volition
Luisa Lives in the Sea of the Divine Will by Right*

From the Book of Heaven

V29 - 6.27.29 - "In the very Creation there is a continuous transmission: Our Fiat created the heavens, It studded them with stars, but It called to life matter in order to do it; It created the sun, but It called to life the light and the heat as the material with which to form it. It created man; first I formed his statue made of earth; I infused the human soul in him, and then I created the life of My Love over this soul; and then, My Divine Will transmitted Itself with his, in order to form Its Kingdom in the creature. There is not one thing come out of Us and created by Us in which there isn't this transmission of human and Divine. In Our most beautiful works—the Creation, the Immaculate Queen, the Word Humanate—the human and the Divine are so bound together as to be inseparable; and so the heavens are brimful of God, narrating My Glory and Our Power and Wisdom; the Immaculate Queen—My bearer; My Humanity—the Incarnate Word.

"Now, wanting to make My Divine Will known, after the first transmission I made in Eden, that was rejected from Me, in order to be able to put the Kingdom of My Divine Fiat out in the field again, it was necessary for me to form the second transmission. And how could I do it if I did not intertwine another creature, with bonds almost inseparable, in the knowledges, in the light and in the very life of My Eternal Volition? And if I did not intertwine you in It, transmitting you into It, and It into you, you would not have felt within you either Its life or Its permanent light; nor would you have felt within you the necessity to love It and the yearning to know It more. And so, this is why I put you and Me in the condition, you of giving to Me, and I of giving to you; and in that reciprocal giving I would form the knowledge that I wanted to give you; and the transmission of My Divine Will with yours was realized, rendering you the conqueror of the great good that I was doing to you."

Then, continuing in my abandonment in the Divine Fiat... that is such that, as much as I hasten to cross all of It, I can never manage; on the contrary, I see that much way is left to me to go within Its Sea of light, to the point that I cannot even catch sight of where Its endless boundaries end. So, as much as I hasten, my journey will never end, I will always have something to do and way to go within the Sea of the Eternal Volition.

Then, my sweet Jesus added: “My daughter, how great is the Sea of My Will. It has no beginning and no end, therefore the littleness of the creature can neither cross it, nor embrace it all. However, one who lives in It finds herself on the way in the center of the Sea, as it will never be given to her to go out from within its center, because she will never find either a shore or a boundary of It. On the contrary, in the front and in the back, on the right and on the left, she will find nothing but Sea of Divine Will, and for each act that she emits in It, she is given a Divine right back. In fact, since her act has been done within and together with My Divine Volition, with Divine Justice, It communicates to the soul the right of the Divine Light, the right of Its Sanctity, the right of Its Beauty, of Its Goodness, of Its Love.

“She lives in the Sea of My Will by right—not as a stranger, but as the owner, because she has her acts changed into Divine rights that have rendered her the conqueror of My Divine Will. And if you knew how much We delight, how happy We feel, in seeing the littleness of the creature living in the Sea of Our Volition—not as a stranger, but as the owner; not as servant, but as queen; not as poor, but as immensely rich—and rich in Our conquests that she has made in Our Fiat. Therefore, one who lives in Our Divine Volition will feel within herself, by right, the dominion of light, the dominion of sanctity, the dominion of beauty, and of making herself as beautiful as she wants. She has goodness at her disposal, love as the substance of her acts, My Divine Will as her own life—and completely her own; and all this by Divine right, given by Our very Selves. Therefore, be attentive in multiplying your acts in Our adorable Fiat!”
