

## *Luisa and Jesus Thank Each Other for the Writings*

**V23 - 1.29.28** - I was reading in the 20<sup>th</sup> Volume what regarded the Divine Will, and I felt such Impression, as if I would see a Divine Life, Alive and Palpitating, Flowing in the written words. I could feel the Strength of the Light, the Life of the Warmth of Heaven, the Virtue, as though Operating, of the Divine Fiat in What I was reading, and I Thanked my Jesus from the heart, Who, with So Much Love, had Deigned to make me write.

But while I was doing this, my Beloved Jesus, as though unable to contain, Himself, the Throbs of His Heart, came out from within my interior, and throwing His Arms around my neck, He pressed me tightly to His Heart to let me feel His Ardent Heartbeats, and told me: “My daughter, you Thank Me for I have made you write What regards My Will— Doctrine all of Heaven, and that has the Virtue of Communicating the Life of It, Palpitating and all Celestial, to those who shall read these Writings.

“My Will is Palpitating in the midst of creatures, but It Lives suffocated by the human will. These Writings shall make Its Heartbeat felt so Strongly, that It shall suffocate the human will and shall take Its First Place of Life that is due to It, because My Will is the Heartbeat and the Life of all Creation. Therefore, the Value of these Writings is Immense; they Contain the Value of a Divine Will. If They were Written in Gold, They would not surpass the great Value that They Contain in Themselves.

“These Writings are Suns Impressed with Characters of most Refulgent Light in the Walls of the Celestial Fatherland, and they form the most Beautiful Ornament for those Walls of the Eternal City, in which all the Blessed remain Enraptured and Amazed in reading the Characters of the Supreme Will. Therefore, greater Grace I could not give in these times, than Transmitting, through you, the Characters of the Celestial Fatherland to creatures, that shall bring the Life of Heaven into their midst.

“So, just as you Thank Me, I Thank you, for being willing to receive My Lessons and to make the Sacrifice of writing under My Dictation. It was My Will that, while you were writing, made Flow the Living Virtue of Its Ardent, Eternal and Vivifying Heartbeat, that It Impressed in your characters. This is why, in rereading them, you feel the Renewing of It, all Celestial, that is Impressed in Them. Oh! how hard it shall be for those who shall read these Writings, not to feel the Palpitating Life of My Will, and not to be stirred, by the Virtue of Its Vivifying Heartbeat, from the lethargy they are in.

“These Writings on My Supreme Fiat, by the Strength of Its Light, shall Eclipse the human will; they shall be Balm to the human wounds, they shall be Opium to all that is earth; passions shall feel themselves die, and from their death shall Rise Again the Life of Heaven in the midst of creatures. They shall be the True Celestial Army that, while Laying Siege to the human will and to all the evils produced by it, shall make Peace, the lost Happiness, the Life of My Will, Rise Again in the midst of creatures. The Siege that they shall Lay shall cause no harm to anyone, because My Will is to Lay Siege to the human will so that it may no longer tyrannize the poor creatures, but may leave them Free in the Kingdom of My Will.

“This is Why I have insisted, and I insist so much in making you write, I have kept you on the Cross, I have Sacrificed you—it was Necessary; it was about the most Important Thing, it was the Echo of Heaven, the Life of up there that I Want to form upon earth. And this is the Reason for My Continuous Refrain: ‘Be Attentive, omit nothing, and may your Flight in My Will be Continuous.’”
