

## *Luisa Enters into the Extraordinary Order*

**V25 – 2.22.29** - “My daughter, *You Must Know* that in Our Divinity there is the Ordinary Order for the whole Creation, and this is not moved because of any incident: not one point, not one minute earlier, not one minute later; Life ends when it is Established by Us - We are Immutable in this regard. But, in Us, there is also the Extraordinary Order, and since We are the Masters of the Laws of the whole Creation, We have the Right to change them whenever We want. But if We change them, a great Glory of Ours Must Enter into this, and a great Good for the whole Creation; We do not change Our Laws because of little things. Now, My daughter, you know that the greatest Work is to Establish the Kingdom of My Divine Will upon earth, and to Make It Known; there is no Good that the creature can receive if she does not know it. What is your wonder, then, if We have surrendered to Obedience so as not to let you die? More so since, because of your connection with My Divine Fiat, you Enter into the Extraordinary Order; and since each Knowledge about My Divine Volition is many Divine Lives that have come out of Our Womb, the sacrifice of your life was needed in order to receive them, and the very Privation of Heaven, from which Obedience snatched you.

In addition to this, since My Divine Will, Its Knowledges, Its Reigning, are not only the greatest Good for the earth, but the Complete Glory for the Whole of Heaven, all of Heaven prayed Me to surrender to the pleas of the one who Commanded you; and I, out of regard for My Will, while Opening the Doors to you, surrendered to their pleas. Do you think that I do not know your great sacrifice, your continued Martyrdom of being away from the Celestial Fatherland, and only to Fulfill My Will in the one through whom It was Commanded to you? Indeed, this sacrifice has snatched from Me the many Lives of the Knowledges of My Fiat. And then, a soul was needed who would know Heaven and how My Divine Will is Done in the Celestial Dwelling, in order to be able to Entrust to her Its Secrets, Its Story, Its Life; and by Appreciating them, she would make them her own Life and would be ready to lay down her life so that others might Know a Good so Great.”
