

Luisa Lives in the Center of the Sphere of the Divine Sun

V29 - 2.13.31 - "My daughter, courage, think that a Divine Will Reigns in you, which is the source of Perennial Happiness and Joy. So, your bitternesses and oppressions form the clouds around the Sun of My Will, which prevent Its Rays from Shining in all your being; and while It wants to render you happy, It feels the happiness It wants to give you being rejected by your bitternesses. And even though you Possess a Divine Will at your disposal, by virtue of your bitternesses you feel the rain that oppresses you, that fills your soul up to the brim. In fact, *You Must Know* that one who Lives in My Will Lives in the Center of the Sphere of the Divine Sun, and can say: 'The Sun is all mine.' On the other hand, one who does not Live in It Lives in the Circumference of the Light which the Divine Sun Spreads everywhere, because My Will, with Its Immensity, can neither deny Itself to anyone, nor does It want to deny Itself; It is like the sun, which is forced to give light to all, even if not all of them wanted it. And why this? Only because it is light, and the nature of light is to give itself to all - to those who do not want it and to those who want it. But, what great difference exists between one who Lives in the Center of My Divine Sun and one who Lives in Its Circumference. The first one Possesses the Properties of the Light and all of Its Goods, which are Infinite; the Light keeps her defended from all evils; so, sin cannot have life in this Light; and if bitternesses arise, they are like clouds, which cannot have Perennial Life - a little Breeze of My Will is enough to put to flight the thickest clouds, and the soul finds herself sunken within the Center of Its Sun which she Possesses. More so, since the bitternesses of one who Lives in My Will are always because of Me, and I can say that I AM embittered together with you; and if I see you crying, I Cry along, because My very Will renders Me Inseparable from one who Lives in It, and I feel her pains more than if they were My own. Even more, My very Will which Resides in the soul calls My Humanity into one who suffers, to make It Repeat Its Life Living on earth; and - Oh! the Divine Prodigies that take place; the New Currents that Open between Heaven and earth, because of the New Life of Pains that Jesus has in His creature. And My Heart, while It is human, is Divine - It Possesses the Sweetest Tendernesses; the Attractive and Powerful Tendernesses of My Heart are such and so many, that as I see one who Loves Me Suffer, My most Tender Love

Melts My Heart and Pours Itself completely over the pains and over the heart of My Beloved creature. Therefore, I AM with you in suffering, and I do Two Offices - of Actor of Pains, and Spectator - to Enjoy the Fruits of My Pains which I keep unfolding within her. Therefore, for one who Lives in My Divine Will, I AM Sun and Center of her life; so, we are Inseparable; I feel her life Palpitating in Me, and she feels My Life Palpitating in her inmost soul. On the other hand, one who Lives in the Circumference of the Light which the Sun of My Divine Will Spreads everywhere, is not the owner of the Light, because True Ownership is said to be so when a Good resides within oneself; and the good inside no one can take away from us - either in life, or after death. On the other hand, the good outside is subject to danger, nor does it have the Power to keep us safe; and the soul suffers weaknesses, inconstancy, passions that torment her, and reaches the point of feeling as though far away from her Creator. Therefore, Always in My Will do I Want you, to let Me continue My Life upon earth."
