

## *Luisa with Jesus Calls the Divine Will and this is Power before the Throne of God*

**V20 - 2.16.32** - "...This is why, My daughter, I have told you other times, and I repeat to you: 'Let us do everything it takes in order to make the Divine Will Known and let It Reign.' Nothing must be lacking on our part: prayers, sacrifice of one's life, taking all the acts of creatures as though in one's hand in order to call It to place something of Its own, so that there might be My *'I Love you'* and yours, My Plea and yours, Crying out: 'We want the Divine Will.' So, the whole Creation and all acts shall all be as though Covered with Divine Will, and the Divine Will shall feel called by each act of creature from all points, and by each Created thing, because you and I have already made the Call, wanting to put even the Sacrifice of our Life in each thing and in each act, so that It may Come to Reign. This shall be Power before the Throne of God, Magnetic Force, Irresistible Magnet - all acts Crying out that they want the Divine Will Reigning in the midst of creatures. But who is Crying out? I and the little daughter of My Will. Then, as though captured, It shall Descend to Reign. Here, then, your Rounds and Rounds in Creation, in My own Acts, in those of the Celestial Mama - to commit Our very Divine Acts for a Kingdom so Holy; and in those of the creatures - to Copy them and place what they may lack. But all of them Must have One Single Voice, whether directly, or indirectly by means of one who wants to make the sacrifice of becoming the Supplier and Repairer, to obtain that It may Come to Reign in the midst of the generations. Therefore, what I have you do, and I Myself do together with you, are Necessary Acts, Preparations, Formation, Wealth and Capitals that are Needed. Once we have done everything, on My Part and on your part, in such a way that nothing must be lacking, so as to be able to say: 'We have done everything, there is nothing left for us to do', just as I said in Redemption: 'I have done everything to Redeem man, My Love does not know what else to Invent in order to place him in Safety', and I Departed for Heaven, waiting for man to take the Good that by the Sacrifice of My Life I had formed for him and given him - in the same way, once there is nothing left for us to do for the Kingdom of My Will upon earth, you too shall be able to Come into Heaven, waiting from the Celestial Fatherland for the creatures to take the Wealth, the Capital, the Kingdom of the Supreme Fiat which shall already be there formed. This is Why I always say to you: 'Be Attentive, do not omit anything' - when there is nothing else that can be done, let us do our part; the rest, the circumstances, the events, the things, the diversity of people, shall do the rest; and since It is already formed, It shall come out by Itself and shall go forward in Its Reigning. It takes more sacrifice to form something, for then it is easy to put it out; but in order to form it, it takes someone who would lay down his own life, and the Sacrifice of a will Sacrificed with Continuous Acts in Mine."
