

Luisa All Beautiful
Luisa, in who Jesus Reordered His Prime Act

April 21

V26 - 4.21.29 - My abandonment in the Divine Fiat continues. I feel I cannot be without remaining in my dear inheritance, which my sweet Jesus, with so much love, gave me, saying to me: “Daughter, I entrust it to you, that you may never go out of it, and may make your continuous echo resound from one point to another, in such a way that all of Heaven may hear that Our endless inheritance of Our Fiat on earth is not isolated, but is inhabited by Our little daughter. She will always go around within It, to keep company with all the acts of Our Will, and with all of Its apartments.” Therefore, it is dear and sweet to me living in my celestial inheritance; I would feel life missing in me without It.

So, while I was going around in It, my always lovable Jesus was going around together with me, and, all love, told me: “My daughter, My Divine Will is all Fullness; there is nothing which It does not Possess: Immensity of Light, Unreachable Sanctity, Endlessness without boundaries, Incessant Generation; It sees everything, It Feels and Molds everything. All this is Its Nature in My Divine Fiat, therefore Its Acts Possess the Fullness of all Goods. So, in order to be able to enclose even a Single Act of It in the depth of the soul, it is Necessary that she empty herself of all of herself, and return to the void of her nothingness, as in the Act in which she was Created, so that My Divine Volition may find the space of the nothingness to be able to deposit an Act of Fullness of Its Own, which is such that, Possessing the Incessant Generative Virtue, one Act calls for another, in a way that nothing must be lacking – neither Fullness of Light, of Sanctity, of Love, of Beauty, nor Multiplicity of Divine Acts. Therefore, the Sanctity done in My Divine Will Possesses all the Fullness – but so much, that if God

wanted to give her more, He would not find the space in which to put more Light, more Beauty. We would say: 'You are all Beautiful, nor can We add for you any more Beauty, so Beautiful you are. You are the Work of Our Volition, and this is enough for you to be a Work worthy of Us.' And the soul will say: 'I am the Triumph of Your Divine Fiat, therefore I am all Rich and Beautiful. I Possess the Fullness of an Act of Your Divine Will, which Fills me completely; and if You wanted to give me more, I would not know where to put it.'

Luisa, in who Jesus Reordered His Prime Act

V21 - 4.22.27 - Now, My daughter, since the Act of the Creation of man was a Solemn Act, and of great Delight for Us, We Call you and Want you in this Act, in order to repeat the Solemnity of It, placing in your will the great Capital of Ours. And as we do this, Our Love Overflows and Trembles with Joy, with great Delight, because We see Our Purpose Realized. Surely you will not deny the small interest to Us; you will not reject Our Capital, will you? Even more, every day we shall do the Accounts; I shall Call you to be Present at that *First Act* when We Created this free will - you, to give Me the interest, and I, to see if I can add some more of My Capital."

My mind was wandering in the Divine Fiat, and I thought to myself: 'Oh! how I would like to receive that *First Act* of Creation - that Divine Outpouring of Intense Love, which He poured upon the *First Creature* when He Created him. I would like to receive that Omnipotent Breath, to be able to return to My Creator all the Love and the Glory which He had established to receive from the creature.' But while I was thinking of this, my Sweet Jesus, clasping me to Himself, told me: "My daughter, this is precisely My Purpose for Coming to you so often; so much so, that it may appear strange to some, and almost outside of My usual ways, since almost with no one have I done this, of going so often. All this is to Reorder My Prime Act of the Way I Created the creature; and this is why I return to you, staying like the most Loving Father with his daughter. How many times have I not Breathed into you, to the point that you could not contain My Omnipotent Breath? I have Poured in you My Contained Love, to the point of Filling you up to the brim of your soul. All this was nothing other than the Renewal of the Solemn Act of Creation. I wanted to feel that great Delight of when I Created man, and therefore I Come to you - not only to Renew It, but to Reorder the Order, the Harmony, the Love, between Creator and creature, in the way he was Created. In the Beginning of the Creation of man there was no distance between Me and him - everything was familiarity. As soon as he would call Me, I would be with him; I Loved him as My son and, as My son, I felt so drawn to him that I could not do without going and being with him very often. With you Luisa I AM Renewing the Beginning of Creation; therefore, Be Attentive in receiving such a great Good."
