

## *Luisa, the Whole Creation is Centralized over her*

**V21 – 4.24.27** – “Now, creatures take what is material in Created things, and leave the Life of Love which, hovering within everything, remains suspended, unable to give itself. It happens as when one goes into a flowery field, or into a garden, in which there are trees loaded with precious fruits. If one only looks at a flower and does not pick it, he will not receive the taste and the life of the fragrance of the flower. If one looks at a fruit and does not pick it from the tree in order to eat it, he will not enjoy it, nor will he receive the life of the fruit. So it is with all Creation: man looks at It, but he does not receive the Life of Love placed by God in all Created things, because man does not place his will, nor does he open his heart to receive this continued outpouring of Love of his Creator. But, in spite of this, Our outpouring of Love does not stop; Our Regenerative Breath is always in Act and in Motion, and We wait for the Kingdom of Our Divine Fiat so that this Love of Ours, hovering around, may descend into the midst of creatures and give Our Divine Life; and, in receiving It, the creatures will form their own Outpouring of Love to give it to the One from Whom they receive It. Therefore, My daughter, the Whole Creation is Centralized over you. I look at you from the starry heavens and I send you this Outpouring of Love; I look at you from the sun, and Breathing over you, I send you My Divine Life. I look at you from the sea, and in its foaming and mighty waves I send you My Love which, being constrained, I unload with Might over you, like a Sea. I look at you from the wind, and I pour over you My Ruling, Purifying, Warming Love; I look at you from the mountains, and I send you the Outpouring of My Firm and Unshakeable Love. There is not one place or Created thing from which I do not look at you, to pour Love over you. In fact, since My Will is in you, you draw Me from all sides to Look at you, because My Will Expands your capacity to receive My continued Outpouring of Love. Wherever My Divine Will Reigns, I can give everything, I can Centralize everything, and a Contest Arises between Creator and creature – I, in Giving, she, in receiving: I Give, and she gives to Me; she gives to Me, and I Give in yet more Superabundant Ways. Therefore, Always in My Will do I want you, that we may be always in a Contest – I with you, and you with Me.”
