

## *Luisa Gives Jesus the Glory of His Divine Will*

**V21 - 4.30.27** - "My daughter, one was My Will which came out in Creation, but It spread and Multiplied Itself in each Created thing; and the soul who goes around in the Creation to follow Its Acts and to Embrace them all together, gathers the Divine Will which is spread in all things and makes It One, giving Me the Glory of the Unity of It. Then, spreading It again in all Created things, she gives Me the Glory of My Divine Will Multiplied and Bilocated in so many things. It is something great, My daughter, that the littleness of the creature Reunites, all together, this Will of Mine Bilocated and Multiplied in so many things, so as to say to Me: 'One is the Glory, the Honor, the Love I want to give You, because the One Act contains everything - It is Perfect, and It alone is Worthy of You. One was the Will that came out from You, and as One do I want to bring It to You.' And then, making use of her Loving Stratagems, she spreads It again, and she gives Me the Glory of the Supreme Fiat Multiplied and Bilocated in all things. And I let her do everything, and I Delight in and Enjoy her Loving Stratagems. In fact, being in My Will, she is in My House, and she can do nothing but what pertains to the Celestial Family. Her acting is always Divine Way of Acting, which alone can please Me and give Me Perfect Love and Glory."
