

Luisa's State of Victim is Always an Embankment for Jesus' Justice

V16 - 4.11.24 - I remained oppressed more than ever, and the horrible picture of the turmoil of nature, which I had seen in the past days, became alive before my mind. Then, going back to prayer according to my usual way, I said to my Lovable Jesus: 'Since You are determined to lay Hand to chastisements and I can no longer do anything - either suffer, or have people spared the evils they deserve - You could free me from this State of Victim, or suspend me for some time. At least I would spare others the bother.' And Jesus: "My daughter, I do not want to displease you; if you want Me to suspend you, I shall do it." And I, fearing that I might do my will, immediately added: 'No, no, my Love, You should not say to me: "If you want", but rather, You should say: "I AM the one who wants to suspend you from this State". It should not come from my will, but from Yours - then would I accept. So, not to make me content, but to let Your Will be done in me.' And Jesus again: "I do not want to displease you, I want to make you content. If you want me to suspend you, I shall do it. However, know that My Justice wants to follow Its Course, and you and I must surrender in part. There are certain Rights of Justice which one cannot do without; but since I have placed you in the Center of My Will, in this State of Victim, even if you should now sleep, now suffer, now pray, it is always an Embankment for My Justice, to prevent the course of the almost total destruction of things. In fact, this is not about only chastisements - but about destruction."
