

## *Luisa Possesses the Source of the Divine Will's Acts – Its Fecundity*

**V21 – 5.18.27** – “Now, My Will is more than sun, and since It is the Endless Will, which with One Single Act issues from Itself the Fecundity of all the other acts together, the soul who Lives in It Possesses the Source of Its Acts – Its Fecundity. And so, in the soul in whom My Will Reigns and Dominates, It changes neither Regime nor Manners, and as she Operates in It, her Acts come out with the Multiplicity and the Fecundity of Its Divine Acts. All the Acts of God are Single Acts, which Embrace everything and do all Acts together. See, in the Creation of man, one was Our Act, but in this One Act, Sanctity, Power, Wisdom, Love, Beauty, Goodness came out of Us - all together. In sum, there was nothing of Our own that came out of Us which was not Infused in man. We let him share in everything, because when We Operate, We do not know how to leave things half-done, but We do only Complete Works; and when We give, We give everything. More so, since My Will is Endless Light, and the Virtue of Light descends into the deepest depth, *Rises Up* to the Highest, and extends all around – there is not one point which it does not reach; nor can matter or anything extraneous to Light enter into it. It is intangible, Its Office is to give - and give always, without ever ceasing to give.

So it is for the soul who Lives in My Divine Volition: she becomes Light together with the Light of My Will, and therefore as Light she descends into the deepest depth of the hearts, and brings the Good of her Light; she extends everywhere and all around, almost tracing everyone and everything with her Light, to bring to each one Its Effects, the Multiplicity and the Variety of Goods which her Light contains. She would feel as though defrauded if she were unable to extend to all and everywhere; so much so, that as she *Rises Up* High, penetrates above the azure vault, and Echoes My very Will Reigning in the Celestial Fatherland, My same Will which Reigns in the soul Dives together with It, and extending over all the Blessed, forms Its Rain and drizzles New Joys, Happiness and New Beatitudes over all.”
