

Luisa, Who Jesus Finds Voluntarily in His Will

V29 - 5.31.31 - "My daughter, how Sweet it is for Me to find you in My Divine Will - and not like those creatures who are in It by force, by necessity, and because they cannot do without It; and while they are in It, they do not Know It, nor do they Love It or Appreciate It. But in finding you, I find you voluntarily; you Know It and Love It, and you reach the point of finding your Sweet Rest. I feel so drawn toward you; more so, since the very Power of My Will imposes Itself on your Jesus, to reveal Myself; and I AM unable to deny anything to her, because I could say that the only Happiness that comes to Me from the earth is to find the creature in My Divine Will; and when I find her, I want to Repay her for the Happiness that she gives Me - first, by rendering her Happy; and then, by Preparing her and Disposing her to do an Act in My Will. I Prepare the space for it, because the Greatness, the Sanctity, the Power that an Act done in It contains, is so great, that the creature could not contain it if I did not give her the capacity. Therefore, one who lives in My Will is Inseparable from Me, because while she has done one Act, I must Prepare her for the next Act; more so, since I never leave the creature at one point, but I make her always grow, until I AM able to say: 'I have no more to give her; I AM content for I have given her everything.' In fact, *You Must Know* that every time the creature does an Act in My Divine Will, she plunges herself into It, and God plunges Himself into the creature. So, in plunging into each other, God Communicates His New Act never interrupted, and the human will remains at the Mercy of the Divine Will and feels New Love, New Power, New Freshness, with all the Divine Refreshments, in such a way that in each Act she feels herself being Reborn again in the Divine Life. Without losing what she has received in the other Acts, she acquires and incorporates into herself the New Life that has been Communicated to her; so much so, that she feels herself Growing, being Nourished, with a New Growth and with New Foods. So, one who Lives in Our Will Acquires ever New Knowledges of her Creator, and the New Knowledge brings her the Current of the Continuous New Act that God Possesses. Don't you see the heavens, the stars, the sun? Do you perhaps see any change in them? Or, after so many centuries, are they not always fresh, beautiful, new, as they were created? And why? Because they are under the Empire of the Creative Strength of Our Fiat, which Created them and remained in them as Perennial Life. Therefore, the Permanence of My Will in the creature produces, with Its Dominating Empire, New Life of Patience, of Prayer, of Peace, of Sacrifice and of Infinite Joys. That which My Will is, so It wants to Render one who Lives in It."

FIAT!!!
