

## *Luisa Works to Give Jesus the Love and Glory that Each of His Works Contains*

**V21 - 5.24.27** - "My daughter, I feel in you My Glory, My Love, My Life, My Works; My Will Centralizes everything in you. Not only this, but while you work, My Will takes you into the sun, and you work together with its light; so, your movements flow in the solar rays, and as the light diffuses, you diffuse Glory and Love for your Creator. How Beautiful is My daughter - finding her in all of My Works, working to give Me the Love, the Glory that each one of My Works contains. Since My Will Possesses the Bilocating virtue, It also Bilocates you, so as to be able to find you in the sea, in the air, in the stars - everywhere, to Love you, and to be Loved and Glorified."

After this, I was feeling as though absorbed in the Supreme Fiat, and I was thinking to myself about the great Goods that the Supreme Will can do in our souls; and my always Lovable Jesus added: "My daughter, each Act that the Divine Will does United with the soul, forms a Divine Life. In fact, My Will being Divine, It cannot help forming Divine Lives in Its Acts; in such a way that, wherever It Reigns, as the soul operates, speaks, thinks, palpitates, etc., My Divine Volition makes Its Work, Its Word, Its Thought and Heartbeat flow within that of the creature - First Forming in her Its Act, Its Word, and then giving the Birth of Its Divine Life. So, in everything the soul does, she releases from herself so many Divine Lives as to Fill Heaven and earth with as many Images of Divine Life; she becomes the Reproducer, the Bilocator of the Divine Life. My Will is not less powerful in the soul in whom It Reigns with the Fullness of Its Dominion, than It is within the Womb of the Three Divine Persons. And therefore, Possessing the Bilocating Virtue, It not only forms in the soul as many Divine Lives as It wants, but It forms in her Its Heaven, Its Sun, Seas of Love, Flowery Fields, and makes the soul say to her God: 'Heaven You gave me, and Heaven I give You; Sun You gave me, and Sun I give You; Seas and Flowery Fields You gave me, and Seas and Flowery Fields I give You. Your Will Repeats in me everything You have done for me in Creation and Redemption, so that I may give You everything, just as You gave me everything.'
