V17 - 5.4.25 - The Mission of the Divine Will shall veil the Most Holy Trinity upon earth, and will make man return to his origin.

After writing what is written above, I began to do the adoration to my Crucified Jesus, fusing all of myself in His Most Holy Will; and my beloved Jesus came out from within my interior, and placing His most holy face close to mine, all tenderness, told me: "My daughter, did you write everything on the Mission of My Will?" And I: 'Yes, yes, I wrote everything.' And He, again: "And what if I told you that you have not written everything? Rather, you have left out the most essential thing. So, continue writing, and add: 'The Mission of My Will shall veil the Most Holy Trinity upon earth. Just as in Heaven there are the Father, the Son and the Holy Spirit, inseparable from One Another but distinct among Themselves, forming the whole beatitude of Heaven; in the same way, on earth there will be three persons who, because of their Missions, will be distinct and inseparable among themselves: the Virgin, with Her Maternity which veils the Paternity of the Celestial Father and encloses His power in order to fulfill Her Mission of Mother of the Eternal Word and Co-Redemptrix of mankind; My Humanity, for the Mission of Redeemer, which enclosed the Divinity, and the Word, without ever separating from the Father and from the Holy Spirit, manifested My Celestial Wisdom - adding the bond of rendering Myself inseparable from My Mama; and you, for the Mission of My Will, as the Holy Spirit shall make display of His Love, manifesting to you the secrets, the prodigies of My Will, the goods It contains, to make happy those who will give themselves to knowing how much good this Supreme Will contains, to love It and to let It reign in their midst, offering their souls to let It dwell within their hearts, that It may be able to form Its Life in them - adding the bond of inseparability between you, the Mother and the Eternal Word.

These three Missions are distinct and inseparable. The first two have prepared the Graces, the light, the work, and with unheard-of pains, for the third Mission of My Will, to then fuse themselves all in It without leaving their office, so as to find rest, because My Will alone is celestial rest. These Missions will not be repeated, because the exuberance of Grace, of light, of knowledge is such and so great that all human generations can be filled with them; even more, they will not be able to contain all the good which they contain. These Missions are symbolized by the sun; in fact, in creating it, I filled it with so much light and heat, that all human generations have superabundant light. Nor did I consider that, since at the beginning of creation there were only Adam and Eve who would enjoy it, I could place the necessary light for them only, to then increase new light as the generations would grow. No, no – I made it full of light, just as it is now, and will be. For the decorum and the honor of Our power, wisdom and love, Our works are always done with the fullness of all the good which they contain; nor are they subject to increasing or decreasing. So I did with the sun: I centralized in it all the light which was to serve up to the last man. But how many goods does the sun not do for the earth? What glory, in its mute light, does it not give to its Creator? I can say that because of the immense goods it does to the earth, in its mute language the sun glorifies Me and makes Me known more than all other things together; and this, because it is full in its light, and stable in its course. When I looked at the sun which, with so much light, only Adam and Eve were enjoying, I also looked at all the living; and in seeing that that light was to serve all, My Paternal Goodness exulted with Joy, and I remained Glorified in My works. So I did with My Mama: I filled Her with so much Grace, that She can give Graces to all without ever exhausting even one of them. So I did with My Humanity: there is no good which It does not possess; It enclosed everything, and the very Divinity, to give It to whomever wants of It. So I did with you: I enclosed in you My Will, and, with It, I enclosed Myself. I enclosed in you Its Knowledges, Its Secrets, Its Light. I filled your soul up to the brim; so much so, that what you write is nothing other than the outpouring of what you contain of My Will. And even though it now serves you alone, and a few glimmers of Light serve a few others, I AM content because, being Light, more than second sun, It shall make Its way by Itself, in order to illuminate the human generations and to bring about the Fulfillment of Our Works: that Our Will be known and loved, and that It reign as life in the creatures. This was the Purpose of Creation – this, Its Beginning, and this shall be the Means and the End.

Therefore, be attentive, because this is about placing in safety that Eternal Will which, with so much love, wants to dwell in the creatures. But It wants to be known, It does not want to be like a stranger, but wants to give Its Goods and become Life of each one. However, It wants Its rights, Its place of honor; It wants the human will to be put aside – the only enemy for Itself and for man. The Mission of My Will was the purpose of the creation of man. My Divinity did not depart from Heaven - from Its throne, while My Will not only departed, but descended into all created things and formed Its Life in them. But while all things recognized Me, and I dwell in them with majesty and decorum, man alone drove Me away. But I want to conquer him and win him, and therefore My Mission is not ended. So I called you, entrusting to you My own Mission, that you may place the one who drove Me away on the lap of My Will, and everything may return to Me in My Will. Therefore, do not

be surprised at the many great and marvelous things I may tell you for the sake of this Mission, or at the many Graces I may give you; because this is not about making a Saint, or saving the generations. This is about placing a Divine Will in safety, that all may return to the beginning, to the origin from which all came, and that the purpose of My Will may have its fulfillment’.”

V12 - 5.4.19 - I live amid privations and bitternesses; only the Will of My Jesus is My sole Strength and Life. So, my Sweet Jesus made Himself seen in my interior for a little while, all afflicted and pensive, sustaining His Forehead with His own Hand. In seeing Him so afflicted, I said to Him: ‘Jesus, what’s wrong - so afflicted and pensive?’ And He, looking at me, told me: “Ah! daughter, from within your heart I AM allotting the destiny of the world. Your heart is the Center of My Throne upon earth; and from My Center I look at the world, the madness of creatures, the precipice which they are preparing; while I AM as though put aside, as if I were nothing for them. And I AM forced to withdraw the Light, not only of Grace, but also of their very natural reason, to confound them and make them touch with their own hands who man is, and what man can do. And from within your heart I look at him, and I Cry and Pray for the ungrateful man; and I want you together with Me, crying and praying, and suffering for My relief and company.”

V15 - 5.5.23 - “As many times as the soul enters into the Divine Will in order to pray, operate, love, etc., so many ways does she Open between Creator and creatures. And the Divinity, in seeing that the creature is making her way to go to Him, Opens His Ways in order to meet His creature. In this Encounter she Copies the Virtues of her Creator, absorbs ever New Divine Life into herself, penetrates more deeply into the Eternal Secrets of the Supreme Volition, and everything she does is no longer human in her, but Divine. This Divine Operating forms within her a Golden Heaven, where the Divinity Strolls, Delighting in finding His own Operating in the creature, awaiting the creature in order to receive her Divine Acts, and therefore open more Ways for her within His Divinity. And He keeps repeating with great Love: ‘Behold - here is how, in My Will, the creature comes closer to My Likeness, accomplishes My Designs, Fulfills the Purpose of Creation.’ And while hearing this, I found myself inside myself.
