

Luisa is Fed at the Celestial Table

V34 - 5.10.37 - "My little daughter of My Will, each Truth I Manifest to you about My Fiat is one more growth of It that you go through, it is one more bite of Food that serves to Strengthen you, Warm you and Conform you more in It, it is one more sip you drink of the Immense Sea of My Will, it is one more Divine Property you acquire. Now, *You Must Know* that for each additional Act you do in It, We set before you Our Celestial Table, and if you Love, It Feeds you Our Love; if you move on to comprehend Us, It Feeds you Our Wisdom; and - oh! how many Beautiful News and Knowledges It gives you of your Creator. So, your God becomes your Exquisite Food. Therefore, in everything you do, now It Feeds you with Our Power, now with Our Goodness, now with Our Sweetness, with Our Strength, Light and Mercy of Ours. So, the human littleness, by Living in Our Eternal Volition, absorbs Us sip by sip, bite after bite, because, being little, it is not given to it - even as much as possible for a creature - to take, all together, what it must take of Our Divine Being. More so, since this serves to delight each other - We, in giving, she, in receiving; We, giving of Our own; she, giving Us her littleness; We, Working her as We want, and she, letting Us work. It is our mutual Exchange, our Harmonizing, our Speaking to each other, that form Our most Beautiful Works, as We carry out the Life of Our Will in the creature. In doing nothing, nothing is accomplished, therefore it is necessary to Operate, to Speak, to let Ourselves be Comprehended, to Work, in order to make the Beautiful Statues - the Repeaters of Our Life. So, when We find one who wants to listen to Us and give herself to Us in order to receive, We hold nothing back of what We Can and Know how to do for the creature.

Now, My daughter, when the creature has Nourished herself from Our Fiat, unto knowing no other Food, and has formed the chain of her Acts, all sealed by the Characteristics of the Divine Virtues, God remains Imprisoned within His own Divine Virtues inside the creature; and if she Loves then, it is God that makes a display of the Power of His Love, of His Goodness, Sanctity, etc., in the acts of the creature. So, the Power unleashed through these Acts that God does in His creature is such as to Invest Heaven and earth, Hover over all souls, Invest them and Overwhelm them with Its Powerful Love, making them receive the Kiss of the Divine Will, in such a way that the human family will feel Its Power and Its Love, wanting to Reign. More so, since this Right is given to them by God hidden by means of a creature that belongs to their human race. Hence, they won't be able to disown these Rights, except for some perfidious ones; but still, My Power shall Know how to knock them down and Conquer them. So, let Me accomplish the Work of My Will in

you, don't stand in the way, and you and I shall be Happy to see It Reigning in the other creatures."
