

Luisa Acquires Rights over Everyone and Everything

V30 - 6.17.32 - "Furthermore, for the creature who Lives in My Will, there is nothing that belongs to My Fiat over which she does not Acquire her Rights: Right over the Divine Being, Right over her Celestial Mama, over the Angels, over the Saints; Right over the heavens, over the sun, over the whole Creation. And God, the Virgin, and everyone, Acquire the Right over her. It happens as when two young spouses unite themselves together with an indissoluble bond, such that, on both sides, they acquire the right over their very persons, and over everything that belongs to both - a right which no one can take away from them. The same for one who Lives in Our Will: she Forms the New, True, Real Marriage with the Supreme Being, and, with it, a Nuptial is Formed with everything that belongs to Him. Oh! how Beautiful it is to see this creature Espoused to all - the Dear, the Favorite, the Beloved of all. And, with Right, everyone wants her, they yearn to Enjoy her and to keep her together with them; and she Loves all, gives to all the Right over her, and gives herself to all - it is the New and Extensive Family of her Creator that she has Acquired. Oh! if it could be seen from the earth, they would see that God Carries her in His Arms, the Sovereign Queen nourishes her with the Choice Food of the Divine Volition, the Angels and Saints form the Cortege around her, the heavens extend over her to Cover her and Protect her - and woe to those who touch her. The sun fixes on her with its light and kisses her with its heat, the wind caresses her; there is not one thing Created by Us which does not offer itself to perform its office around her. My Will Moves everything around her, so that everyone and everything may serve her and Love her. Therefore, one who Lives in It gives everyone something to do, and all feel the Happiness of being able to extend their Field of Action inside and outside the Fortunate creature. Oh! if all creatures would comprehend What it Means to Live in My Divine Will - oh! how all would aspire and compete, to make in It their Celestial Dwelling."
