

Luisa Grows within the Womb of her Celestial Father

V26 - 6.4.29 - “But this is not all; as the Divine Life grows in the creature, the more Acts she does in My Divine Fiat, the more the creature grows within the Womb of her Celestial Father. The Supreme Being opens His Womb and Encloses in It this Happy creature, to Raise her in a Divine Manner, to Clothe her with Royal Garments, to Feed her the Food with Their own Hands, to Embellish her with Rare Beauty. All of Heaven remains Amazed, Enraptured, in seeing that their Creator Raises a creature within His Womb; and they say among themselves: ‘He must be doing something great with her, for He Loves her so much, and keeps her in such great custody as to Raise her within His Paternal Womb.’ And all await the Full Growth of this creature, to see what shall become of her. Therefore, the Prodigy of Living of My Will is Unique; It Communicates such Power to one who Lives in It, that she Enters everywhere, and God Himself Loves and wants to Raise her within His Divine Womb. Furthermore, the Potential and the Diffusion of the Act done in My Divine Will is such and so great, that she Diffuses everywhere: she Extends in the heavens, and it is as if she made the Roll-Call of the stars; she Extends in the sun, and she Roll-Calls the light; she Invests the air, the wind, the sea, and she Roll-Calls the birds, the power of the wind, the waters and the fish; and placing them all in order, she says to all with her act: ‘Bow down, and let us Adore, with double Homage, our Creator. That Fiat which Created us is in my act, and with It I want to Create New Love, New Adoration and Glory for our Creator.’ And she Extends not only in all Created things, but she Extends within the Acts of the Virgin, in all the Acts which I did upon earth, in the Acts of her Creator, in those of all the Saints; and from the first to the last, she calls the Roll for all of them, and she makes the New Life of Love, of Adoration, of Glory for the One Who Created her, flow within them.”
