

Luisa Takes Part in the Actions 'ad intra' of the Divine Persons

V11 - 6.29.14 - “Now, My daughter, My *'ad intra'* about which I spoke to you is precisely this: sometimes I keep you together with Me, with My Humanity, and you take part in My Pains, in the Works and in the Joys of My Humanity; some other times, drawing you inside of Me, I Make you to be Dissolved within My Divinity. How many times have I not made you Swim within Me, keeping you so deep inside of Me that you could see nothing but Me, inside and outside of yourself? Now, as I kept you within Me, you took part in the Enjoyments, in the Love and in all the rest, always according to your little capacity; and even though Our Works *'ad intra'* are Eternal, the creatures can still Enjoy the Effects of those Works in their lives, according to their Love.”
