Postulation for the
Cause of Beatification Luisa Piccarreta
Palazzo Arcivescovi I le
70059 Trani (BA) Italy

To my Brothers and Sisters of the Postulation:

In obedience to the request of Mons. Carmelo Cassati, Archbishop of Trani - Barletta - Bisceglie, Titular of Nazareth in his edict: "Cause of Beatification of the Servant of God, Luisa Piccarreta," dated November 19, 1994; and in accordance to the Statute of the "Association Luisa Piccarreta – Little Children of the Divine Will" Article 5, #2 with the archiepiscopal provision prot. 1106/06 of April 2, 2006, I resubmit this story of the miraculous favor obtained through the intercession of the Little Daughter of the Divine Will, Luisa Piccarreta to Mons. Giovan Battista PICHIERRI Archbishop of Trani. Please find enclosed this testimony regarding the first-class miraculous healing of our son, Bryan Joseph Dobak, which occurred on August 7, 1997.

I indicate that I resubmit this testimony because Bryan's father and I had submitted it in 2001; however, it may have been misplaced. Under what I believe is an inspiration of the Holy Spirit, I obediently respond to His prompting by sending this testimony again. If you have any questions, feel free to call at (308) 883-2563, or **email** me at: kaschueler@vt.edu

For the glory of God and to advance the cause of the beatification and/or the canonization of Luisa Piccarreta, I joyfully and respectfully turn over our testimony for your consideration.

Sincerely,

Kristin Schueler
